

obligations of Section 222 of the Telecommunications Act of 1996. Among other things, all telecommunications common carriers must provide subscriber list information, gathered in their capacity as providers of telephone exchange service, to any person upon request for the purpose of publishing directories. Carriers are obligated to provide updated subscriber information and notices of changes in subscriber list information to the extent those changes reflect customer's decision to cease having a telephone number listed.

All of the collections adopted would be used to ensure that telecommunications carriers comply with section 222(e) of the statute and with subscriber list information requirements the Commission promulgates in this order in implementation of section 222(e).
