

described in the DEIS. Transcripts of the meetings will be prepared.

Previously public scoping meetings were held in Gainesville, DeLand, Fort Myers, and Bartow, Florida. On August 23, 1999, FGT deleted some of the project facilities. Meeting locations have been selected to represent the project area and consequently, no meeting will be held in the DeLand area.

After these comments are reviewed, any significant new issues are investigated and modifications are made to the DEIS as necessary, a final EIS will be published and distributed by the staff. The final EIS will contain the staff's responses to timely comments received on the DEIS.

Comments will be considered by the Commission but will not serve to make the commentor a party to the proceeding. Any person may file a motion to intervene on the basis of the Commission Staff's DEIS (see Title 18 Code of Federal Regulations, Parts 380.106 and 385.214). You do not need intervenor status to have your comments considered.

All intervenors, agencies, elected officials, local governments, special interest groups, libraries, media, and anyone providing written comments on the DEIS will receive a copy of the final EIS. *If you do not wish to comment on the DEIS but wish to receive a copy of the final EIS, you must write to the Secretary of the Commission indicating this request.*

The DEIS has been placed in the public files of the FERC and is available for public inspection at: Federal Energy Regulatory Commission, Public Reference and Files Maintenance Branch, 888 First Street, NE Room 2A, Washington, DC 20426, (202) 208-1371.

A limited number of copies are available from the Public Reference and Files Maintenance Branch identified above. In addition, the DEIS has been mailed to Federal, state, and local agencies; public interest groups; individuals, and affected landowners who requested a copy of the DEIS; libraries; newspapers; and parties to this proceeding.

Additional information about the proposed project is available from Paul McKee in the Commission's Office of External Affairs, at (202) 208-1088 or on the FERC website ([www.ferc.fed.us](http://www.ferc.fed.us)), using the "RIMS" link to information on this docket number.
