

No. N-62042, and to the Las Vegas Valley Water District by Permit No. N-53360 under the Act of October 26, 1976 (FLPMA). Detailed information concerning this action is available for review at the office of the Bureau of Land Management, Las Vegas Field Office, 4765 W. Vegas Drive, Las Vegas, Nevada.

Upon publication of this notice in the **Federal Register**, the above described land will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease/conveyance under the Recreation and Public Purposes Act, leasing under the mineral leasing laws and disposals under the mineral material disposal laws.

For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested parties may submit comments regarding the proposed lease/conveyance for classification of the lands to the Field Manager, Las Vegas Field Office, Las Vegas, Nevada 89108.

Classification Comments: Interested parties may submit comments involving the suitability of the land for a Public Park. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments: Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a Public Park.

Any adverse comments will be reviewed by the State Director.

In the absence of any adverse comments, the classification of the land described in this Notice will become effective 60 days from the date of publication in the **Federal Register**. The lands will not be offered for lease/conveyance until after the classification becomes effective.

Dated: September 28, 1999.

Recreation and Public Purposes Classification Terminations; Utah

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Two classifications for Recreation and Public Purposes (R&PP) are being terminated in Washington County, Utah. The lessees in both cases have relinquished all or a portion of their R&PP leases, and the lands are needed for other purposes. The lands are to be included in land exchanges to acquire private lands with high public values.

FOR FURTHER INFORMATION CONTACT: Randy Massey, St. George Field Office, 345 E. Riverside Drive, St. George, Utah 84790.

SUPPLEMENTARY INFORMATION: On November 2, 1983, 10 acres of public land were classified for R&PP purposes (UTU-45824). Subsequently, a R&PP lease was issued to the Washington County School District for a school site on December 13, 1983. The legal description of the property is:

Salt Lake Meridian, Utah

T. 43 S., R. 16 W.

Sec. 1, lot 16.

Containing 10 acres more or less.

By letter dated July 11, 1997, the School District relinquished their lease, and the relinquishment was accepted by the Bureau of Land Management.

On May 28, 1997, 880.26 acres of public land were classified for R&PP purposes (UTU-52877). Subsequently, a RPP lease was issued to the Washington County Water Conservancy District for the Quail Creek Recreation Area on June 10, 1997. By letter dated April 9, 1999, the Conservancy District relinquished its interest in 26.18 acres of the leased land, and the relinquishment was accepted by the Bureau of Land Management. The legal description of the property is:

Salt Lake Meridian, Utah

T. 41 S., R. 14 W.

Sec. 26, lot 20.

Containing 26.18 acres.

Effective the date of publication of this notice, the Recreation and Public Purposes classification for the two parcels of land described above, is hereby terminated.

At 8 a.m. on the date of publication of this notice, the lands described above

will be opened to the operation of the public land laws generally, subject to valid existing rights, other segregations of record, and the requirements of applicable law. At 8 a.m. on the date of publication of this notice, the lands described above will be opened to location and entry under the United States mining laws, subject to valid existing rights, other segregations of record, and the requirements of applicable law. The lands described above are currently segregated for exchange.

Dated: September 23, 1999.

James D. Crisp,

St. George Field Office Manager.
