

members appointed by the Secretary of Commerce. The Committee provides a channel of communication between the representative communities and the Bureau of the Census. The Committee assists the Bureau in its efforts to reduce the count differential for Census 2000 and advises on ways that decennial census data can best be disseminated to communities and other users.

The Committee will provide advice and recommendations for the implementation and evaluation phases of Census 2000. To do so, they will draw on several items including past experience with the 1990 census process and procedures, the results of evaluations and research studies, and the expertise and insight of their members.

The meeting is open to the public, and a brief period is set aside during the closing session for public comment and questions. Those persons with extensive questions or statements must submit them in writing to the Census Bureau Committee Liaison Officer, named above, at least three days before the meeting.

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Census Bureau Committee Liaison Officer.

Dated: October 12, 1999.

Kenneth Prewitt,

Director, Bureau of Census.

SUPPLEMENTARY INFORMATION:

I. Abstract

Respondents will be commercial fishing industry individuals, partnerships, and corporations which entered into Capital Construction Fund agreements with the Secretary of Commerce allowing deferral of Federal taxation on fishing vessel income deposited into the fund for use in the acquisition, construction, or reconstruction of fishing vessels. Deferred taxes are recaptured by reducing an agreement vessel's basis for depreciation by the amount withdrawn from the fund for its acquisition, construction, or reconstruction. The deposit/withdrawal information collected from agreement holders is required pursuant to 50 CFR 259.35 and P.L. 99-514 (The Tax Reform Act, 1986). The information collected is required to ensure that agreement holders are complying with fund deposit/withdrawal requirements established in program regulations and properly accounting for fund activity on their Federal income tax returns. The information collected must also be reported annually to the Secretary of Treasury in accordance with the Tax Reform Act, 1986.

II. Method of Collection

The information will be collected on the Capital Construction Fund Deposit/Withdrawal Report form, which agreement holders are required to submit at the end of their tax year.

Estimated Number of Respondents: 4,000

Estimated Time Per Response: 20 minutes

Estimated Total Annual Burden Hours: 1,650

Estimated Total Annual Cost to Public: \$2,000

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and /or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: October 7, 1999.
