(1) Have an annual effect to the economy of \$100 million or more; or adversely affect in a material way the economy; a section of the economy; productivity; competition; jobs; the environment; public health or safety; or state, local, or tribal governments or communities;

(2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another Agency;

Accordingly, 32 CFR part 806b is amended to read as follows:

PART 806b—AIR FORCE PRIVACY ACT PROGRAM

1. The authority citation for 32 CFR Part 806b continues to read as follows:

Authority: Pub. L. 93-579, 88 Stat 1896 (5 U.S.C. 552a).

2. Appendix C to Part 806b is proposed to be amended by adding paragraph (b)(21) as follows:

* * * * *

b. Specific exemptions. * * *

(21) *System identifier and name:* F036 AF DP G, Military Equal Opportunity and Treatment.

(i) *Exemption:* Investigatory material compiled for law enforcement purposes may be exempt pursuant to 5 U.S.C. 552a(k)(2). However, if an individual is denied any right, privilege, or benefit for which he would otherwise be entitled by Federal law or for which he would otherwise be eligible, as a result of the maintenance of the information, the individual will be provided access to the information except to the extent that disclosure would reveal the identity of a confidential source. Portions of this system of records may be exempt pursuant to 5 U.S.C. 552a(d), (e)(4)(H), and (f).

(iii) *Authority:* 5 U.S.C. 552a(k)(2)

(iv) *Reasons:* (1) From subsection (d) because access to the records contained in this system would inform the subject of an investigation of the existence of that investigation, provide the subject of the investigation with information that might enable him to avoid detection, and would present a serious impediment to law enforcement. In addition, granting individuals access to information collected while an Equal Opportunity and Treatment clarification/investigation is in progress conflicts with the just, thorough, and timely completion of the complaint, and could possibly enable individuals to interfere, obstruct, or mislead those clarifying/investigating the complaint.

(2) From subsection (e)(4)(H) because this system of records is exempt from individual access pursuant to subsection (k) of the Privacy Act of 1974.

(3) From subsection (f) because this system of records has been exempted

from the access provisions of subsection (d).

(4) Consistent with the legislative purpose of the Privacy Act of 1974, the Department of the Air Force will grant access to nonexempt material in the records being maintained. Disclosure will be governed by the Department of the Air Force's Privacy Instruction, but will be limited to the extent that the identity of confidential sources will not be compromised; subjects of an investigation of an actual or potential violation will not be alerted to the investigation; the physical safety of witnesses, informants and law enforcement personnel will not be endangered, the privacy of third parties will not be violated; and that the disclosure would not otherwise impede effective law enforcement. Whenever possible, information of the above nature will be deleted from the requested documents and the balance made available. The controlling principle behind this limited access is to allow disclosures except those indicated above. The decisions to release information from this system will be made on a case-by-case basis.

Dated: October 8, 1999.
