The full text of the amendment is available for your inspection at the locations listed above under **ADDRESSES**.

*Policies and Procedures of the State Abandoned Mine Land Reclamation Program [30 CFR 884.13(c)]*

Under subheading B. Identification of Eligible Lands and Water [30 CFR 884.13(c)(2)], Arkansas proposes to add the following language as a counterpart to our Federal regulation at 30 CFR 875.16, Exclusion of certain noncoal reclamation sites:

Money from the Fund shall not be used for the reclamation of sites and areas designated for remedial action pursuant to the Uranium Mill Tailings Radiation Control Act of 1978 (42 U.S.C. 7901 *et seq.*) or that have been listed for remedial action pursuant to the Comprehensive Environmental Response Compensation and Liability Act of 1980 (42 U.S.C. 9601 *et seq.*)

### III. Public Comment Procedures

Under the provisions of 30 CFR 884.15(a), we are requesting comments on whether the amendment satisfies the applicable State reclamation plan approval criteria of 30 CFR 884.14. If we approve the amendment, it will become part of the Arkansas plan.

#### *Written Comments*

We will make comments, including names and addresses of respondents, available for public review during normal business hours. We will not consider anonymous comments. If individual respondents request confidentiality, we will honor their request to the extent allowable by law. Individual respondents who wish to withhold their name or address from public review, except for the city or town, must state this prominently at the beginning of their comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public review in their entirety.

Your written comments should be specific and pertain only to the issues proposed in this rulemaking. You should explain the reason for any recommended change. In the final rulemaking, we will not necessarily consider or include in the Administrative Record any comments received after the time indicated under **DATES** or at locations other than the Tulsa Field Office.

Please submit Internet comments as an ASCII file avoiding the use of special characters and any form of encryption. Please also include "Attn: SPATS No. AR-035-FOR" and your name and return address in your Internet message. If you do not receive a confirmation that we have received your Internet message,

contact the Tulsa Field Office at (918) 581-6430.

#### *Public Hearing*

If you wish to speak at the public hearing, contact the person listed under **FOR FURTHER INFORMATION CONTACT** by 4:00 p.m., c.s.t. on November 2, 1999. We will arrange the location and time of the hearing with those persons requesting the hearing. The hearing will not be held if no one requests an opportunity to speak at the public hearing.

The public hearing will continue on the specified date until all persons scheduled to speak have been heard. If you are in the audience and have not been scheduled to speak and wish to do so, you will be allowed to speak after those who have been scheduled. We will end the hearing after all persons scheduled to speak and persons present in the audience who wish to speak have spoken.

### IV. Procedural Determinations

#### *Executive Order 12866*

The Office of Management and Budget (OMB) exempts this rule from review under Executive Order 12866 (Regulatory Planning and Review).

#### *Executive Order 12988*

The Department of the Interior conducted the reviews required by section 3 of Executive Order 12988 (Civil Justice Reform) and determined that, to the extent allowed by law, this rule meets the applicable standards of subsections (a) and (b) of that section. However, these standards are not applicable to the actual language of State and Tribal abandoned mine land reclamation plans and revisions since each such plan is drafted and

promulgated by a specific State or Tribe, not by OSM. Decisions on proposed abandoned mine land reclamation plans and revisions submitted by a State or Tribe are based on a determination of whether the submittal meets the requirements of Title IV of SMCRA (30 U.S.C. 1231-1243) and 30 CFR Part 884.

#### *National Environmental Policy Act*

This rule does not require an environmental impact statement since agency decisions on proposed State and Tribal abandoned mine land reclamation plans and revisions are categorically excluded from compliance with the National Environmental Policy Act (42 U.S.C. 4332) by the Manual of the Department of the Interior (516 DM 6, appendix 8, paragraph 8.4B(29)).

#### *Paperwork Reduction Act*

This rule does not contain information collection requirements that require approval by OMB under the Paperwork Reduction Act (44 U.S.C. 3507 *et seq.*).

#### *Regulatory Flexibility Act*

The Department of the Interior determined that this rule will not have a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). The submittal which is the subject of this rule is based upon corresponding Federal regulations for which an economic analysis was prepared and certification made that such regulations would not have a significant economic effect upon a substantial number of small entities. Accordingly, this rule will ensure that existing requirements previously promulgated by OSM will be implemented. In making the determination as to whether this rule would have a significant economic impact, the Department relied upon the data and assumptions in the analyses for the corresponding Federal regulations.

#### *Unfunded Mandates*

OSM determined and certifies under the Unfunded Mandates Reform Act (2 U.S.C. 1502 *et seq.*) that this rule will not impose a cost of \$100 million or more in any given year on local, state, or tribal governments or private entities.
