BILLING CODE 4310-70-F

DEPARTMENT OF THE INTERIOR

National Park Service

Notice of Inventory Completion for Native American Human Remains from Kiska Island, AK in the Possession of the University of Nebraska State Museum, University of Nebraska-Lincoln, Lincoln, NE

AGENCY: National Park Service, Interior.

ACTION: Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 43 CFR 10.9, of the completion of an inventory of human remains from Kiska Island, AK in the possession of the University of Nebraska State Museum, University of Nebraska-Lincoln, Lincoln, NE.

A detailed assessment of the human remains was made by University of Nebraska-Lincoln professional staff in consultation with representatives of the Tanadgusix (TDX) Corporation.

In 1943, human remains representing one individual were excavated from a village site on Kiska Island, AK by Lt. (J.G.) Paul Fuenning, U.S. Naval Reserve, who donated it to the University of Nebraska-Lincoln State Museum in 1947. No known individual was identified. No associated funerary objects are present.

Accession information describes the Kiska Island site as an "old Aleut village". Based on the geographic location of the site, reported material culture of the site, and the condition of the human remains, this individual has been identified as Native American of the Aleut culture.

Based on the above mentioned information, officials of the University

of Nebraska-Lincoln have determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of one individual of Native American ancestry. Officials of the University of Nebraska-Lincoln have determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and the Tanadgusix (TDX) Corporation, the Aleut Corporation, and the Pribilof Islands Aleut Communities of St. Paul and St. George Islands.

This notice has been sent to officials of the Tanadgusix (TDX) Corporation, the Aleut Corporation, and the Pribilof Islands Aleut Communities of St. Paul and St. George Islands. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains and associated funerary objects should contact Dr. Priscilla Grew, NAGPRA Coordinator, 301 Bessey Hall, University of Nebraska-Lincoln, Lincoln, NE 68588-0433; telephone: (402) 472-7854, before November 17, 1999. Repatriation of the human remains to the Tanadgusix (TDX) Corporation, the Aleut Corporation, and the Pribilof Islands Aleut Communities of St. Paul and St. George Islands may begin after that date if no additional claimants come forward.

Dated: September 23, 1999.

Francis P. McManamon,

Departmental Consulting Archeologist, Manager, Archeology and Ethnography Program.
