

Notices

Federal Register

Vol. 64, No. 202

Wednesday, October 20, 1999

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

DEPARTMENT OF AGRICULTURE

Food and Nutrition Service

Agency Information Collection Activities: Proposed Collection; Comment Request—Child Nutrition Labeling Program

AGENCY: Food and Nutrition Service, USDA.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the intention of the Food and Nutrition Service to request Office of Management and Budget review of information collection activities related to the Child Nutrition Labeling Program.

DATES: Comments on this notice must be received by December 20, 1999.

ADDRESSES: Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. All responses to this notice will be summarized and included in the request for Office of Management and Budget approval, and will become a matter of public record. Send comments to: Ms. Lori French, Branch Chief, Nutrition Promotion and Training Branch, Child Nutrition Division, Food and Nutrition Service, United States

Department of Agriculture, 3101 Park Center Drive, Alexandria, VA 22302.

FOR FURTHER INFORMATION CONTACT: Request for additional information or copies of the information collection instruments and instruction should be directed to Marion Hinners at (703) 305-2621.

SUPPLEMENTARY INFORMATION:

Title: Child Nutrition Labeling Program.

OMB Number: 0584-0320.

Expiration Date: 9/30/99.

Type of Request: Revision of currently approved, voluntary collection of information contained in existing regulation.

Abstract: The Child Nutrition (CN) Labeling Program is a voluntary technical assistance program to aid schools and institutions participating in the National School Lunch Program (NSLP), School Breakfast Program (SBP), Child and Adult Care Food Program (CACFP), and Summer Food Service Program (SFSP) in determining the contribution a commercial product makes toward the food-based meal pattern requirements of these programs. There is no Federal requirement that commercial products must have a CN label statement.

To participate in the Child Nutrition Labeling Program, industry submits product labels and formulations to the Food and Nutrition Service (FNS) that are in conformance with the Food Safety and Inspection Service (FSIS) label approval program for meat and poultry, or United States Department of Commerce (USDC) label approval program for seafood products. FNS reviews a manufacturer's product formulation to determine the contribution a serving of the product makes toward the food-based meal pattern requirements. The application form submitted to FNS is the same application that companies submit to FSIS or USDC to receive label approval. A CN label application is also reviewed by FNS for accuracy.

Estimate of Burden: Based on our most recent interviews with manufacturers it is estimated that it takes a manufacturer forty-five minutes to complete the required calculations and to formulate the CN label application.

Respondents: Participation in the CN labeling program is voluntary. Only manufacturers who wish to place CN

labels on their products must comply with program requirements. Last year 795 possible establishments sent in 4163 label transmittals.

Estimated Number of Respondents: 795

Estimated Number of Responses per Respondent: 5.2.

Estimated Total Annual Burden on Respondents: 3122.25 hours.

Dated: October 12, 1999.

Samuel Chambers, Jr.,

Administrator, Food and Nutrition Service.

ARCHITECTURAL AND TRANSPORTATION BARRIERS COMPLIANCE BOARD

Public Rights-of-Way Access Advisory Committee; Meeting

AGENCY: Architectural and Transportation Barriers Compliance Board.

ACTION: Notice of appointment of advisory committee members and date of first meeting.

SUMMARY: The Architectural and Transportation Barriers Compliance Board (Access Board) has decided to establish an advisory committee to assist it in developing a proposed rule on accessibility guidelines for newly constructed and altered public rights-of-way covered by the Americans with Disabilities Act of 1990 and the Architectural Barriers Act of 1968. The Public Rights-of-Way Access Advisory Committee (Committee) includes organizations which represent the interests affected by the accessibility guidelines for public rights-of-way. This notice also announces the times and location of the first Committee meeting, which will be open to the public.

DATES: The first meeting of the Committee is scheduled for November 29 and 30, 1999, beginning at 9:00 a.m. and ending at 5:00 p.m. each day.

ADDRESSES: The meeting will be held in the 3rd floor training room at 1331 F Street, NW., Washington, DC.

FOR FURTHER INFORMATION CONTACT: Scott Windley, Office of Technical and Information Services, Architectural and

Transportation Barriers Compliance Board, 1331 F Street, NW., suite 1000, Washington, DC, 20004-1111. Telephone number (202) 272-5434 extension 125 (Voice); (202) 272-5449 (TTY). E-mail windley@access-board.gov. This document is available in alternate formats (cassette tape, Braille, large print, or computer disk) upon request. This document is also available on the Board's Internet Site (<http://www.access-board.gov/notices/prowapt.htm>).

SUPPLEMENTARY INFORMATION: On August 12, 1999, the Architectural and Transportation Barriers Compliance Board (Access Board) published a notice of intent to establish an advisory committee to provide recommendations for developing a proposed rule addressing accessibility guidelines for newly constructed and altered public rights-of-way covered by the Americans with Disabilities Act of 1990 and the Architectural Barriers Act of 1968. 64 FR 43980 (August 12, 1999).

The notice identified the interests that are likely to be significantly affected by the accessibility guidelines: Federal agencies; design professional organizations; transportation and traffic engineering institutes, departments, and organizations; State and local government public works and transportation agencies; pedestrian and bicycle organizations; standard setting organizations; organizations representing the access needs of individuals with disabilities; and other persons affected by the accessibility guidelines.

Over 65 nominations were submitted. Approximately 20 nominations were received from organizations representing persons with disabilities. About 10 other nominations were received from individuals (or family members of) persons with disabilities. The remaining nominations primarily consisted of organizations representing the transportation, design, and engineering industry which includes some State and local government departments of transportation.

For the reasons stated in the notice of intent, the Access Board has determined that establishing the Public Right-of-Way Access Advisory Committee (Committee) is necessary and in the public interest. The Access Board has appointed 29 members to the Committee from the following organizations:

America Walks
American Association of State Highway and Transportation Officials
American Council of the Blind
American Institute of Architects
American Public Transit Association

American Public Works Association
Association for Education and Rehabilitation of the Blind and Visually Impaired
Californians for Disability Rights
Canadian Standards Association,
Technical Committee on Barrier-Free Design
City of Birmingham, Department of Planning, Engineering and Permits
Disability and Business Technical Assistance Centers
Disability Rights Education and Defense Fund
Hawaii Commission on Persons With Disabilities
Hawaii Department of Transportation
Institute of Transportation Engineers
Los Angeles Department of Public Works, Bureau of Street Services
Massachusetts Architectural Access Board.
Municipality of Anchorage.
National Council on Independent Living
National Federation of the Blind
New York State Department of Transportation
Paralyzed Veterans of America
Portland Office of Transportation
San Francisco Mayor's Office on Disability
State of Alaska
TASH
Texas Department of Transportation
The Seeing Eye
U.S. Department of Transportation,
Federal Highway Administration

The Access Board regrets being unable to accommodate all requests for membership on the Committee. In order to keep the Committee to a size that can be effective, it was necessary to limit membership. It is also desirable to have balance among members of the Committee representing different clusters of interest, such as disability organizations and the transportation industry. The Committee membership identified above provides representation for each interest effected by issues to be discussed.

Committee meetings will be open to the public and interested persons can attend the meetings and communicate their views. Members of the public will have an opportunity to address the Committee on issues of interest to them and the Committee. Members of groups or individuals who are not members of the Committee may also have the opportunity to participate with subcommittees on the Committee. The Access Board believes that participation of this kind can be very valuable for the advisory committee process.

Additionally, all interested persons will have the opportunity to comment when the proposal accessibility guidelines for

public rights-of-way are issued in the **Federal Register** by the Access Board.

The meeting will be held at a site accessible to individuals with disabilities. Individuals who require sign language interpreters or real-time captioning systems should contact Scott Windley by November 12, 1999.

Decisions with respect to future meetings will be made at the first meeting. Notices of future meetings will be published in the **Federal Register**.

Lawrence W. Roffee,

Executive Director.
