¹ De minimis

Section 735(c)(5)(A) of the Act directs the Department to exclude all zero and *de minimis* weighted-average dumping margins, as well as dumping margins determined entirely on the basis of facts available under section 776 of the Act, from the calculation of the "all others" rate. We have excluded the dumping margin for Pound-Maker (which is *de minimis*) from the calculation of the "all others" rate.

ITC Notification

In accordance with section 735(d) of the Act, we have notified the International Trade Commission (ITC) of our determination. As our final determination is affirmative, the ITC will, within 45 days, determine whether these imports are materially injuring, or threaten material injury to, the U.S. industry. If the ITC determines that material injury or threat of material injury does not exist, the proceeding will be terminated and all securities posted will be refunded or canceled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing the Customs Service to assess antidumping duties on all imports of the subject merchandise entered for consumption on or after the effective date of the suspension of liquidation.

This determination is published pursuant to sections 735(d) and 777(i)(1) of the Act.

Dated: October 12, 1999.

Robert S. LaRussa,

Assistant Secretary for Import Administration.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: October 21, 1999.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the preliminary results of the antidumping duty administrative review of the antidumping order on Welded ASTM A-312 Stainless Steel Pipe from Taiwan, covering the period December 1, 1997 through November 30, 1998.

FOR FURTHER INFORMATION CONTACT: Juanita Chen or Karla Whalen, AD/CVD Enforcement Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Room 7866, Washington, DC 20230, telephone (202) 482-0409, or (202) 482-1391, respectively.

SUPPLEMENTARY INFORMATION: On January 25, 1999, the Department initiated this administrative review of the antidumping duty order on welded ASTM A-312 Stainless Steel Pipe from Taiwan (64 FR 3682). Under section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department may extend the deadline for completion of the preliminary results of an administrative review if it determines that it is not practicable to complete the preliminary results within the statutory time limit of 245 days after the last day of the anniversary month for the relevant order. On July 21, 1999, the Department extended this case sixty days (64 FR 41382, July 30, 1999). Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for the preliminary results until December 15, 1999.

Dated: October 30, 1999.
