SUPPLEMENTARY INFORMATION:

Title: USDA Minority Farm Register.

Type of Request: Intent to seek approval to conduct an information collection.

Abstract: The purpose of this information collection is to create a Minority Farm Register which is a voluntary register of minority land owners that documents the amount of farmland owned by minorities. The Minority Farm Register will establish a baseline for the amount of farmland owned by minority land owners in order to help the USDA set goals to halt the reduction in minority-owned farm land, monitor the loss of minority-owned farms, and locate minority farmers for the purpose of informing them of USDA and other programs that may benefit them. The concept was generated by Recommendation #28 of the Report of the Civil Rights Action Team to the

Secretary of Agriculture entitled Civil Rights at the United States Department of Agriculture, dated February 1997. The Minority Farm Register will be administered by the Office of Outreach. A specific register sign-up form will be issued in Spanish and English. Informational registration material will be distributed to Community Based Organizations, educational institutions, and government agencies assisting minorities with land retention and acquisition and will be distributed on the Internet to ensure the program is widely publicized and accessible to all. The Office of Outreach is requesting a 3 year approval.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 5 minutes per response.

Respondents: Individuals or households.

Estimated Number of Respondents: 54,000.

Estimated Total Annual Burden on Respondents: 4,500 hours.

Copies of this information collection and related instructions can be obtained without charge from Charles Whitaker at (202) 720-6350.
