Determination

As a result of the determinations by the Department and the Commission that revocation of these antidumping findings and this countervailing duty order would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping findings on sugar from Belgium, France, and Germany, and of the countervailing duty order on sugar from the European Community. The Department will instruct the U.S. Customs Service to continue to collect antidumping and countervailing duty deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of continuation of these antidumping findings and countervailing duty order will be the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to sections 751(c)(2) and 751(c)(6) the Department intends to initiate the next five-year reviews of these findings and order not later than September 2004.

Dated: October 22, 1999.
