DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Business and Professional Classification Report.

Form Number(s): SQ-CLASS.

Agency Approval Number: 0607-0189.

Type of Request: Revision of a currently approved collection.

Burden: 9,448 hours.

Number of Respondents: 43,600.

Avg Hours Per Response: 13 minutes.

Needs and Uses: The Bureau of the Census conducts the Business and Professional Classification Report to collect sales and other information from a sample redrawn every quarter of retail, wholesale, service, and unclassified businesses recently assigned Federal Employer Identification numbers (EIN). We are informed of the existence of these new businesses from lists provided by the Internal Revenue Service and the Social Security Administration. From the information we collect in this survey, we determine an appropriate measure of size, company organization and establishment information, taxable or tax-exempt status, wholesale inventories, type of operation, and assign a new or more refined kind-of-business classification. We use this information to include these businesses in our retail, wholesale, and service surveys. This keeps the samples for our current business surveys up-to-date with the business universe.
