## ENVIRONMENTAL PROTECTION AGENCY

[FRL-6467-6]

### Public Water System Supervision Program Revision for the State of South Carolina

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of tentative approval.

**SUMMARY:** Notice is hereby given that the State of South Carolina is revising its approved Public Water System Supervision Program. South Carolina has adopted drinking water regulations requiring consumer confidence reports from all community water systems. EPA has determined that these revisions are no less stringent than the corresponding federal regulations. Therefore, EPA has tentatively decided to approve these State program revisions.

**DATES:** All interested parties may request a public hearing. A request for a public hearing must be submitted by December 1, 1999, to the Regional Administrator at the address shown below. Frivolous or insubstantial requests for a hearing may be denied by the Regional Administrator. However, if a substantial request for a public hearing is made by December 1, 1999, a public hearing will be held. If no timely and appropriate request for a hearing is received and the Regional Administrator does not elect to hold a hearing on his own motion, this determination shall become final and effective on December 1, 1999. Any request for a public hearing shall include the following information: (1) The name, address, and telephone number of the individual, organization, or other entity requesting a hearing. (2) A brief statement of the requesting person's interest in the

Regional Administrator's determination and of information that the requesting person intends to submit at such hearing. (3) The signature of the individual making the request; or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.

**ADDRESSES:** All documents relating to this determination are available for inspection between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday, at the following offices:

South Carolina Department of Health and Environmental Control, Bureau of Water, 2600 Bull Street, Columbia, South Carolina 29201  
Environmental Protection Agency, Region 4, Drinking Water Section, 61 Forsyth Street, SW, Atlanta, Georgia 30303.

#### FOR FURTHER INFORMATION CONTACT:

Janine Morris, EPA Region 4, Drinking Water Section at the Atlanta address given above (telephone 404-562-9480).

**Authority:** (Section 1420 of the Safe Drinking Water Act, as amended (1996), and 40 CFR part 142 of the National Primary Drinking Water Regulations).

Dated: October 21, 1999.

## FEDERAL COMMUNICATIONS COMMISSION

### Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission, Comments Requested

October 25, 1999.

**SUMMARY:** The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the

information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

**DATES:** Written comments should be submitted on or before January 3, 2000. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

**ADDRESSES:** Direct all comments to Les Smith, Federal Communications Commission, 445 12th Street, S.W., Room 1-A804, Washington, DC 20554 or via the Internet to lesmith@fcc.gov.

**FOR FURTHER INFORMATION CONTACT:** For additional information or copies of the information collections contact Les Smith at (202) 418-0217 or via the Internet at lesmith@fcc.gov.

#### SUPPLEMENTARY INFORMATION:

*OMB Approval Number:* 3060-XXXX.

*Title:* Public Notice—Medical Telemetry Equipment Operating in the 450-460 MHz Band.

*Type of Review:* New collection.

*Respondents:* Business or not for profit institutions.

*Number of Respondents:* 20.

*Estimated Hours Per Response:* 8.

*Frequency of Response:* Recordkeeping; one time reporting requirement.

*Estimated Total Annual Burden:* 160 hours.

*Total Annual Cost:* \$2,160.00.

*Needs and Uses:* The Commission released a public notice on October 20, 1999, requesting that parties operating medical telemetry equipment in the 450-460 MHz Band assist the Commission by providing certain information on their operation. Our equipment authorization records show that the majority of medical telemetry equipment operating under Part 90 is authorized in the 460-470 MHz portion of the PLMRS bands, and that very little operates in the 450-460 MHz portion of the band. We are requesting that parties operating medical telemetry equipment in the 450-460 MHz band provide certain information on their operation to the Commission. This information could help prevent serious interference problems in the future.
