

II. Matters That May Be Addressed in Additional Comments

The revised Ordinance amends, relocates and removes several provisions that AWHMT challenges in its application. The revised Ordinance also creates a new Article XVII, which is entitled "Waste Transporters".

In accordance with 49 CFR 107.219(a), RSPA invites all interested parties to comment on the revised Ordinance.

It appears that the revised Ordinance substantially modifies the previous version of the Ordinance. Therefore, in accordance with 49 CFR 107.219(b), AWHMT is directed to supplement its application, to the extent necessary, to reflect the recent revisions to the Ordinance. For example, AWHMT should ensure that the revisions to the Ordinance have not affected its substantive arguments and it should ensure the accuracy of its citations to particular provisions of the Ordinance.

Issued in Washington, D.C. on October 27, 1999.

Alan I. Roberts,

Associate Administrator for Hazardous Materials Safety.
