SUPPLEMENTARY INFORMATION: A proposed rule was published in the **Federal Register** (64 FR 46754; August 26, 1999). The proposed rule contains the proposal submitted by the North American Olive Oil Association (NAOOA). Prior to submitting its proposal, the NAOOA had coordinated a task force consisting of the NAOOA, the California Olive Oil Council, the Texas Olive Oil Council, and other companies involved in the olive oil business.

Under the proposed Order, first handlers and importers would pay an assessment to the proposed Olive Oil Council (Council). Assessments collected under the program, at the rate of \$0.01 per pound, are expected to generate between \$3 million and \$4 million annually. The Council would use the assessments collected to conduct a promotion, research, and information program to maintain, develop, and expand markets for olive oil. The comment period ended October 25, 1999.

On October 22, the Task Force Coordinator requested that additional time be provided for interested persons to comment on the proposed rule. The task force coordinator stated that discussions are still taking place among industry participants and that allowing additional discussion will help to ensure that the process allows all parties to participate.

After reviewing the situation, and in accordance with the task force request, the Department is reopening the comment period for 30 additional days. This will provide interested persons a total of 90 days to review the proposed rule, perform a more complete analysis, and submit any written comments.

This delay should not substantially add to the time required to complete this rulemaking action. Accordingly, the period in which to file written comments is reopened until December 3, 1999. This notice is issued pursuant to the Commodity Promotion, Research, and Information Act of 1996, 7 U.S.C. 7401-7425; Public Law 104-127, enacted April 4, 1996.

Dated: October 27, 1999.

Eric M. Forman,

Acting Deputy Administrator, Fruit and Vegetable Programs.
