

cost of providing services funded under Title I and II of the Ryan White CARE Act.

The primary purpose of the AAR is to: (1) Document the use of Title I and Title II funds and the providers who received them, (2) assess the effects of these funds on the number and diversity of individuals served, (3) evaluate the quantity of services received, and (4) help examine the effectiveness of coordinated systems of care in meeting the needs of individuals living with HIV. In addition to meeting the goal of accountability to Congress, clients,

advocacy groups, and the general public, the AAR supports critical efforts by HRSA, state and local grantees, and providers to assess the status of existing HIV-related service delivery systems.

Separate reports were developed to collect aggregate data from the three program types that receive funds under Title I and/or Title II: (1) Title I programs, Title II programs; (2) centrally administered state programs for the continuation of health insurance; and (3) state programs providing HIV prescription drug assistance.

The following changes to the AAR are proposed to improve the accuracy of the data collected and facilitate local analysis of primary medical care outcome measures: Certain funding questions will be eliminated, all questions will require numerical responses, not percentages; some questions will be restricted to certain providers; and a set of questions has been added to help evaluate primary medical services.

The estimated response burden is as follows:

Form name	Number of respondents	Responses per respondent	Total responses	Hours per response	Total hour burden
<b>Standard Annual Administrative Report (SAAR)</b>					
Medical providers .....	660	1	660	35	23,100
Non-medical providers .....	1,975	1	1,975	20	39,500
Grantees .....	105	1	105	24	2,520
<b>AIDS Pharmaceutical Assistance Annual Administrative Report (includes State ADAP and local APA pharmaceutical programs)</b>					
Administrator/Grantee .....	76	1	76	25	1,900
<b>Health Insurance Continuation Program</b>					
Administrative/Grantee .....	66	1	66	18.5	1,221
Total .....	2,882	1	2,882	.....	68,241
