DEPARTMENT OF HEALTH AND HUMAN SERVICE

Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Proposed Project:

Title: Head Start Grant Application and Budget Instrument.
OMB No.: 0970-0207.

Description: The Head Start program is promulgating a Head Start Grant Application and Budget Instrument to standardize the grant application information which is requested from all grantees applying for continuation grants. The Bureau is also instituting a three-year grant funding cycle so that applicants will only submit full applications in their first year of their three-year funding cycle. In addition, the Grant Application and Budget Instrument will be available on a data

disk and can be transmitted electronically to Regional Offices. The Administration on Children, Youth and Families believes that, in promulgating this application document, the process of applying for grants for the Head Start program will be more efficient for the applicants.

Respondents: State, Local or Tribal Govt.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Head Start GABI	1513	1	33	49,929

Estimated Total Annual Burden Hours: 49,929.

In Compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above. Copies of the proposed collection of information can be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Information Services, 370 L'Enfant Promenade, S.W., Washington, D.C. 20447, Attn: ACF Reports Clearance Officer. All requests should be identified by the title of the information collection.

The Department specifically requests comments on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Dated: November 1, 1999.
Bob Sargis,
Acting Reports Clearance Officer.
