[Docket No. RP00-44-000]

ANR Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff

November 3, 1999.

Take notice that on October 29, 1999, ANR Pipeline Company (ANR) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheets to become effective December 1, 1999:

Thirty-ninth Revised Sheet No. 8
Thirty-ninth Revised Sheet No. 9
Thirty-eighth Revised Sheet No. 13
Forty-seventh Revised Sheet No. 18

ANR states that the above-referenced tariff sheets are being filed to eliminate the currently effective gas supply realignment surcharges and base rate adjustments, due to the expiration of the recovery period for such transition costs.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

ANR Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff

November 3, 1999.

Take notice that on October 29, 1999, ANR Pipeline Company (ANR) tendered for filing, as part of its FERC Gas Tariff, Second revised Volume No. 1, the following revised tariff sheet to be effective December 1, 1999:

First Revised Sheet No. 4E.1

ANR states that the purpose of this filing is to designate in its tariff two new points eligible for service under its existing Rate Schedule IPLS.

ANR states that copies of the filing have been mailed to all affected customers and state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. [Docket No. CP00-13-000]

Columbia Gas Transmission Corporation; Notice of Application

November 3, 1999.

Take notice that on October 27, 1999, Columbia Gas Transmission Corporation (Columbia Gas), 12801 Fair Lakes

Parkway, Fairfax, Virginia 22030-0146, filed in Docket No. CP00-13-000 an application pursuant to Section 7(c) of the Natural Gas Act (NGA) for authority to uprate an existing compressor unit at Columbia Gas' Flat Top Compressor Station, located in Summers County, West Virginia, to provide new firm transportation service to Equitable Production Company (Equitable). Columbia Gas identifies this filing as a companion to the Joint Stipulation and Agreement (settlement) filed on October 8, 1999, in Docket No. CP99-137-000, and Columbia Gas specifically request that the Commission act upon this application in conjunction with action on the settlement, all as more fully set forth in the application which is on file with the Commission and open to public inspection. This filing may be viewed on the web at <http://www.ferc.us/online/rims.htm> (call 202-208-2222 for assistance).

Communications concerning this filing should be addressed to: Fredric J. George, Attorney, Columbia Gas Transmission Corporation, Post Office Box 1273, Charleston, West Virginia 25325-1273, Telephone: 304-357-2359, Fax: 304-357-3206.

Columbia Gas proposes to uprate the Flat Top Compressor Station horsepower(hp) from 4,700 hp to 6,960 hp, in order to provide 65,000 Dekatherms of new firm transportation service to Equitable each day, for a three-year primary term beginning December 1, 1999. The proposed uprate is estimated to cost approximately \$25,000.00, and Columbia Gas requests that such estimated cost be rolled into Columbia Gas' rate base, in Columbia Gas' next general Section 4(e) rate proceeding, so that no existing customers will be burdened with a rate increase resulting from the cost of this project.

The Joint Stipulation and Agreement that Columbia Gas filed on October 8, 1999, is with the Equitable Gas Company, Equitable Production Company and Kentucky-West Virginia Gas Company, L.L.C. (the Equitable Companies), and provides for the uprating of Columbia Gas' Flat Top Compressor Station, among other things. Columbia Gas accordingly requests, Commission approval without modification, of the October 8, 1999 settlement filed in Docket No. CP99-137-000.

Columbia Gas states that its Flat Top Compressor Station is situated near the intersection of Lines KA-8 and KA in Summers County, WV. It is averred that the Flat Top units pump mainline transmission gas on Line KA, as well as
