

*Final Results of Review*

As a result of our review, we determine that the following weighted-average margin exists:

Weighted-average	Exporter/ manufacturer margin (percent)
Akzo .....	2.90

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. The Department will issue appraisal instructions on each exporter directly to the Customs Service. Because we have only one importer of the subject merchandise, we have calculated an importer specific duty assessment rate for the merchandise based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of sales examined.

Furthermore, the following deposit requirements will be effective upon publication of this notice of final results of review for all shipments of PPD-T aramid fiber from the Netherlands entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(1) of the Act: (1) The cash deposit rate for the reviewed company will be the rate listed above; (2) if the exporter is not a firm covered in this review, a prior review, or the original Less Than Fair Value ("LTFV") investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (3) for all other producers and/or exporters of this merchandise, the cash deposit rate shall be 66.92 percent, the "all others" rate established in the LTFV investigation (59 FR 32678, June 24, 1994). These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

**Notification to Interested Parties**

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305 and 19 CFR 351.306. Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and notice are in accordance with section 751(a)(1) of the Act and 19 CFR 351.221.

Dated: November 5, 1999.

**Carbon Steel Wire Rope from Mexico: Extension of Time Limit for Preliminary Results of New Shipper Antidumping Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of extension of time limit for preliminary results of new shipper antidumping review.

**EFFECTIVE DATE:** November 15, 1999.

**FOR FURTHER INFORMATION CONTACT:** Mark Hoadley or Maureen Flannery, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-0666 or (202) 482-3020, respectively.

**SUPPLEMENTARY INFORMATION:****The Applicable Statute**

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to the current regulations, codified at 19 CFR part 351 (1998).

**Background**

On March 31, 1999, the Department of Commerce (the Department) received a

request from Cablesa, S.A. de C.V. (Cablesa) for a new shipper review of its sales to the United States of merchandise subject to the antidumping duty order on carbon steel wire rope from Mexico. We initiated the review, which covers the period March 1, 1998 through February 28, 1999, on April 30, 1999 (*Carbon Steel Wire Rope From Mexico: Initiation of New Shipper Antidumping Duty Review*, 64 FR 24573 (published May 7, 1999)).

On March 29, 1999 and March 31, 1999, in accordance with 19 CFR 351.213(b)(1) and (2), the Department received requests from Aceros Camesa, S.A. de C.V. (Camesa), and the Committee of Domestic Steel Wire Rope and Specialty Cable Manufacturers, respectively, to conduct an administrative review of Camesa's sales to the United States of merchandise subject to the antidumping duty order on carbon steel wire rope from Mexico. The administrative review covers the period March 1, 1998 through February 28, 1999, and was initiated on April 22, 1999 (64 FR 23269, published April 30, 1999).

**Postponement of Results of New Shipper Review**

On July 29, 1999, Cablesa submitted a waiver of the normal time limits for a new shipper review, as set forth in 19 CFR 351.214(i). Thus, in accordance with 19 CFR 351.214(j)(3), we are conducting this new shipper review concurrently with the ongoing administrative review of carbon steel wire rope from Mexico. The signature date for preliminary results of review is now December 1, 1999.

Dated: October 27, 1999.
