Title: Food Stamp Application Process.

OMB Control Number: 0584-0064.

Summary of Collection: The Food Stamp Act of 1977 (the Act) establishes a program whereby needy households may apply for and receive food stamp benefits. It specifies national eligibility standards and imposes certain administrative requirements on State agencies in administering the program. Information must be collected from households to assure that they are eligible for the program and that they receive the correct amount of food stamp benefits. Information collected is limited to that necessary for the administration and enforcement of the Food Stamp Program. The Act requires an adult representative to sign a statement, under penalty of perjury, that the information provided on the application is true and correct to the best of his/her knowledge, including information regarding the citizenship or alien status of each member. The Food and Nutrition Service (FNS) will use an application to collect information.

Need and Use of the Information: FNS will collect information to determine the eligibility of households for the Food Stamp Program and to determine the correct benefit levels for eligible households. The social security number will be used to check the identity of household members, to prevent duplicate participation, to make mass food stamp changes, and to verify information. If information is not collected to certify households in accordance with the Act or changing the frequency of information or reporting requirements as they relate to the application, certification, and continued eligibility of households would result in a direct violation of the Act. Further, benefits could be over issued or under issued for a long period of time if necessary information is not collected or actions are not taken timely.

Description of Respondents: State, Local, or Tribal Government; Individuals or households.

Number of Respondents: 18,071,800.

Frequency of Responses: Recordkeeping; reporting: On occasion; Monthly.

Total Burden Hours: 16,275,901.

Title: Worksheet for Food Stamp Program Quality Control Reviews, FNS-380.

OMB Control Number: 0584-0074.

Summary of Collection: State agencies are required to perform Quality Control reviews for the Food Stamp Program. Section 16 of the Food Stamp Act of 1977 provides the legislative basis for the operation of the Food Stamp quality control system. Section 11(a) of the Food Stamp Act of 1977 provides the legislative basis for the recordkeeping requirements. The Food Stamp worksheet provides a systematic means of aiding the State agency's quality control reviewer in analyzing the household case record; planning and carrying out the field investigation; and gathering, comparing, analyzing and evaluating the review data. The Face Sheet of the form is used to record identifying information about the household and indicate the review findings. The Food and Nutrition Service (FNS) will collect information using Form FNS-380, Worksheet for Food Stamp Program Quality Control Review.

Need and Use of the Information: FNS will collect information to document and evaluate each step of the field investigation to determine eligibility and payment amounts under FNS approved State agency practices.

Description of Respondents: State, Local or Tribal Government; Federal Government.

Number of Respondents: 53.

Frequency of Responses: Recordkeeping; reporting: On occasion; Annually.

Nutrition Service (FNS) an annual performance report of expenditures of funds received under this program. FNS will collect information using form FNS-42, Annual Report of the Nutrition and Education Training Program.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice invites the general public and other public agencies to comment on proposed information collections. Sections 7, 11, and 13 of the Food Stamp Act of 1977 are the bases for the information collected on Form FNS-471, Coupon Account and Destruction Report. SUPPLEMENTARY INFORMATION:

Title: Coupon Account and Destruction Report.

OMB Number: 0584-0053.

Form Number: FNS-471.

Expiration Date: October 31, 1999.

Type of Request: Revision of a currently approved collection.

Abstract: Sections 274.7(f), (g) and (h) of the Food Stamp Program regulations require that State agencies properly dispose of coupons that are received at issuance, claims collection, inventory, and bulk storage points, within 30 days after the end of the month in which the coupons are received. These are coupons received as payments on claims, mutilated or improperly manufactured coupons, old-series coupons that are exchanged for current series, and coupons returned for various other reasons. Coupon books returned intact and unsigned are reusable and returned to inventory. Since coupons are a Federal obligation, the value by denomination of unusable coupons, whether loose or in book form, must be documented and reported on Form FNS-471 and the coupons destroyed. Form FNS-471 is also used to document overages and shortages discovered by issuance and bulk storage points during coupon shipment or transfer. The information contained on the Form FNS-471 is necessary to substantiate coupon inventory and claims collection (coupon payment) data.

We are reducing the estimated burden from 40,331 hours to 12,127 hours to reflect the lower volume of coupons currently in circulation due to declining participation combined with the growth in the number of States currently using electronic benefits transfer (EBT) to issue benefits. Total issuance has decreased nearly 25 percent from fiscal year 1996 to fiscal year 1998. In

addition, in fiscal year 1996, 15.31 percent of the benefits were issued through EBT. As of July 1999, EBT has increased to about 63.81 percent of the total benefits issued. As a result, coupon issuances have decreased from \$18.7 billion in fiscal year 1996 to an estimated \$6.2 billion in fiscal year 1999.

Affected Public: State and local governments.

Estimated Number of Respondents: 9,276.

Estimated Time per Response: 0.11 hours.

Estimated Total Annual Burden: 12,127 hours.

Dated: November 3, 1999.

Samuel Chambers, Jr.,

Administrator, Food and Nutrition Service.
