Buffalo Color Corporation, Buffalo, NY; Notice of Revised Determination on Reconsideration

By letter of October 12, 1999, the company requested administrative reconsideration of the Department's denial of eligibility for workers and former workers of the subject firm to apply for Trade Adjustment Assistance (TAA).

On September 29, 1999, the workers producing indigo paste and powder were denied TAA because the "contributed importantly" test of the Group Eligibility Requirements of the Trade Act of 1974, as amended, was not met. The notice will soon be published in the **Federal Register**.

The company presented new evidence regarding increasing imports of indigo powder from China. The Department has confirmed the company's claim.

Conclusion

After careful consideration of the new facts obtained on reconsideration, it is concluded that the workers of Buffalo Color Corporation, Buffalo, New York, were adversely affected by increased imports of articles like or directly competitive with those produced at the subject firm.

All workers of Buffalo Color Corporation, Buffalo, New York, who became totally or partially separated from employment on or after July 20, 1998 through two years from the date of this issuance are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Eagle Geophysical, Inc., Eagle Geophysical Management, Eagle Geophysical Offshore, Eagle Geophysical Front End, Houston, TX., et al.; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment

Assistance on September 29, 1999, applicable to workers of Eagle Geophysical, Inc., Houston, Texas. The notice was published in the **Federal Register** on November 4, 1999 (64 FR 60231).

At the request of the company, the Department reviewed the certification for workers at the subject firm. The workers are engaged in activities related primarily to the exploration of crude oil and natural gas for unaffiliated producers. New information shows that Eagle Geophysical Management, Eagle Geophysical Offshore and Eagle Geophysical Front End are subsidiaries of Eagle Geophysical. Information also shows that work separations occurred at these divisions operating at various locations in Louisiana, Mississippi, California and Texas. The workers gather seismic data related to the exploration for crude oil and natural gas at Eagle Geophysical, Inc., Houston, Texas.

Accordingly, the Department is amending the certification to cover the workers of Eagle Geophysical Management, Eagle Geophysical Offshore and Eagle Geophysical Front End operating at various locations in Louisiana, Mississippi, California and Texas.

The intent of the Department's certification is to include all workers of Eagle Geophysical who are adversely affected by increased imports.

The amended notice applicable to TA-W-36,773 is hereby issued as follows:

All workers of Eagle Geophysical, Inc., Eagle Geophysical Management, Eagle Geophysical Offshore and Eagle Geophysical Front End, subsidiaries of Eagle Geophysical, Inc., Houston Texas (TA-W-36,773) and at various locations in Louisiana (TA-W-36,773A), Mississippi (TA-W-36,773B), California (TA-W-36,773C) and Texas, excluding Houston (TA-W-36,773D), who became totally or partially separated from employment on or after July 19, 1998 through September 29, 2001 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC, this 15th day of November 1999.
