1999 Company Organization Survey

AGENCY: Bureau of the Census, Commerce.

ACTION: Notice of determination.

SUMMARY: The U.S. Census Bureau is conducting the 1999 Company Organization Survey. The survey's data are needed, in part, to update the multi-establishment companies in the Business Register. The survey, which has been conducted annually since 1974, is designed to collect information on the number of employees, payroll, geographic location, current operational status, and kind of business for the establishments of multi-location companies. We have determined that annual data collected from this survey are needed to aid the efficient performance of essential governmental functions and have significant application to the needs of the public and industry. The data derived from this survey are not available from any other source.

FOR FURTHER INFORMATION CONTACT: Paul Hanczaryk, Economic Planning and Coordination Division, U.S. Census Bureau, Room 2747, Federal Building 3, Washington, DC 20233-6100, telephone (301) 457-2580.

SUPPLEMENTARY INFORMATION: Title 13, United States Code, Sections 182, 195, 224, and 225, authorize the Census Bureau to undertake surveys necessary to furnish current data on the subjects covered by the major censuses. This survey will provide continuing and

timely national statistical data for the period between economic censuses. The next economic censuses will be conducted for the year 2002. The data collected in this survey will be within the general scope, type, and character of those that are covered in the economic censuses.

Notwithstanding any other provision of law, no person is required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid Office of Management and Budget (OMB) control number. In accordance with the Paperwork Reduction Act, 44 U.S.C., Chapter 35, the OMB approved the survey on November 3, 1999, under OMB control Number 0607-0444. We will furnish report forms to organizations included in the survey, and additional copies are available on written request to the Director, U.S. Census Bureau, Washington, DC 20233-0101.

I have, therefore, directed that the 1999 Company Organization Survey be conducted for the purpose of collecting these data.

Dated: November 12, 1999.

Kenneth Prewitt,

Director, Bureau of the Census.

Annual Surveys in the Manufacturing Area

AGENCY: Bureau of the Census, Commerce.

ACTION: Notice of determination.

SUMMARY: The U.S. Census Bureau is conducting the 1999 Annual Surveys in the Manufacturing Area. The 1999 Annual Surveys consist of the Current Industrial Reports surveys, the Annual Survey of Manufactures, the Survey of Industrial Research and Development, and the Survey of Plant Capacity Utilization. We have determined that annual data collected from these surveys are needed to aid the efficient performance of essential governmental functions and have significant application to the needs of the public and industry. The data derived from these surveys, most of which have been
