National Forest System Roadless Areas

AGENCY: Forest Service, USDA.

ACTION: Notice of additional scoping meetings.

SUMMARY: On October 19, 1999, the Forest Service published in the **Federal Register** a Notice of Intent to prepare an environmental impact statement for a proposed rule for the protection of roadless areas. The notice requested public comment on the scope of the analysis, on possible alternatives, and on whether an exemption should be granted to the Tongass National Forest. On November 10, 1999, the Forest Service published a meeting notice of 10 public scoping meetings around the country. The agency now gives notice of additional local public scoping meetings to be hosted by National Forest offices throughout the United States. A schedule of meeting locations, dates, and times is set out in the **SUPPLEMENTARY INFORMATION** section of this notice.

DATES: The dates of these additional scoping meetings are listed in a table in the **SUPPLEMENTARY INFORMATION** section of this notice. The deadline for responding to the notice of intent remains December 20, 1999.

ADDRESSES: The planned locations and dates for the ongoing National Forest-

level scoping meetings are set out in the **SUPPLEMENTARY INFORMATION** section of this notice. All written comments on the Notice of Intent should be mailed to: USDA Forest Service-CAET, Attention: Roadless Areas NOI, P.O. Box 221090, Salt Lake City, Utah 84122 or faxed to 801-517-1021.
