

of repayment. In addition, the complaints against all respondents allege that their credit ads do not properly state the finance charge as the annual percentage rate, as required by Regulation Z.

II. Proposed Orders

The proposed orders prohibit respondents from disseminating advertisements that state the amount of any payment due at inception (excluding the monthly payment amount) or the fact that any or no inception payment is due without also disclosing with "equal prominence" the total amount a consumer must pay at lease signing or delivery. This requirement parallels an identical requirement found in Regulation M.

The proposed orders also prohibit respondents from disseminating advertisements that state the amount of any payment or that any or no initial payment is required at lease signing or delivery, if delivery occurs after consummation, without disclosing clearly and conspicuously all of the terms required by Regulation M, as follows: that the transaction advertised is a lease; the total amount due at lease signing or delivery; whether or not a security deposit is required; the number, amounts, and timing of scheduled payments; and that an extra charge may be imposed at the end of the lease term in a lease in which the liability of the consumer at the end of the lease term is based on the anticipated residual value of the vehicle. This requirement is intended to enjoin the respondents from deceptively advertising only the most attractive portions of its lease offers by requiring clear and conspicuous disclosure of the information necessary for consumers to make informed decisions about advertised lease offers. This paragraph parallels the advertising disclosure requirements from the CLA and Regulation M. The proposed orders also prohibit respondents from violating the CLA and Regulation M.

In addition, the proposed order for Dunphy prohibits Dunphy from misrepresenting the costs of leasing, including the total due at lease inception. The proposed orders for respondents Dunphy and Northeast prohibit these respondents from misrepresenting that advertised terms apply to a cash or credit offer, when, in fact, the terms apply to an offer to lease the advertised vehicle. The proposed order for Northeast also prohibits Northeast from misrepresenting the availability of any advertised offer.

With respect to credit advertisements, the proposed orders prohibit respondents from stating the amount or

percentage of any downpayment, the number of payments or period of repayment, the amount of any payment, or the amount of any finance charge, without disclosing clearly and conspicuously all of the terms required by Regulation Z, as follows: the amount or percentage of the downpayment; the terms of repayment; and the correct annual percentage rate, using that term or the abbreviation "APR." If the annual percentage rate may be increased after consummation of the credit transaction, that fact must also be disclosed.

The proposed orders also prohibit respondents from stating a rate of finance charge without stating the rate as an "annual percentage rate" or "APR." The proposed orders also prohibit all respondents from violating the TILA or Regulation Z.

The purpose of this analysis is to facilitate public comment on the proposed orders, and it is not intended to constitute an official interpretation of the agreements and proposed orders or to modify in any way their terms.

By direction of the Commission.

Secretary.
