#### Notice of Consent Judgment

Notice is hereby given that a consent judgment in *Central Oregon Forest Issues Committee et. al. v. James G. Kenna, Deschutes Area Manager, Bureau of Land Management et al.*, Civil Action No. 98-29-ST (D. Or.), was lodged with the United States District Court for the District of Oregon on November 23, 1999.

**AGENCY:** Bureau of Land Management, Prineville District Office.

**ACTION:** Notice of Consent Judgment.

**SUMMARY:** The proposed consent judgment would govern use of off-highway vehicles (OHVs) on lands administered by the Bureau of Land Management (BLM) in and around the Millican Valley Off-Highway Vehicle Area ("OHV Area"), located in Central Oregon, until the BLM prepares a new environmental impact statement and issues a new decision regarding management of the OHV Area. On February 26, 1999, the District Court of Oregon held that BLM must prepare an environmental impact statement under the National Environmental Policy Act, 42 U.S.C. 4321-4370d, to analyze management alternatives and environmental impacts associated with use of the OVH Area.

The proposed consent judgment would govern OHV use of the Millican Valley OHV area as well as the Millican Plateau, Badlands Wilderness Study area, West Butte area, and Horse Ridge/Skeleton Fire Area. It would: (1) Limit OHV use in the Millican Plateau Area and the West Butte Area to existing routes and trails; (2) Expand the area covered by the existing winter closure to protect additional habitat within the North Side of the OHV area; (3) Continue existing restrictions on OHV use in the Horse Ridge/Skeleton fire Area. [GP8-0194]; (4) Adopt specified

snow depths at which emergency winter OHV closures will be implemented to protect wildlife; (5) Include measures to control noxious weeds; (6) Require monitoring of OHV use during specific routes to OHVs in the Badlands Wilderness Study Area seasonally or permanently; (9) Provide for implementation of a designated trail system and (10) Authorize continued competitive and casual OHV use consistent with the judgment and existing 1997 Millican Valley OHV Plan.

Any person who may be adversely affected by any provision of this judgment may file written comments within thirty (30) days from the date of publication of this notice. Comments should be addressed to: Shaaron Netherton, Field Manager, Deschutes Resource Area, Bureau of Land Management, Prineville District Office, P.O. Box 550, Prineville, Oregon 97754. Comments should refer to *Central Oregon Forest Issue Committee v. Kenna*, Civil No. 98-29-St (D. Or.). The BLM will forward these comments to the Court for consideration. If the Court deems a hearing to be necessary on any of the comment letters, one may be scheduled. The provisions of the proposed consent judgment take effect December 1, 1999, but will be subject to the approval of the Court after the 30-day comment period. The proposed consent judgment may be examined at the Bureau of Land Management, Prineville District Office, 3050 Northeast Third Street, Prineville, Oregon. Requests for a copy of the consent judgment may also be directed to this address.

**FOR FURTHER INFORMATION CONTACT:** Shaaron Netherton, Prineville District, Bureau of Land Management, 3050 NE 3rd Street, Prineville, Oregon 97754, or call (541) 416-6700.
