

D. Application of State Law

Unless otherwise contradicted by this Statute or other Tribal law, laws of the State and regulations of its Liquor Control Commission shall pertain to sale, trade, manufacture, use or possession of alcoholic beverages within the Indian Country of the Tribe. Provided that in no event shall any laws of the Tribe pertaining to liquor regulation be construed to be less stringent than the laws and regulations of the State. Nothing in this section or Statute is intended to allow the State to exercise any jurisdiction over the Tribe, its members, or any persons or transactions within the Indian Country of the Tribe that the State would not otherwise have. Nothing in this section or statute is intended to in any way waive or limit the sovereign immunity of the Tribe.

E. Condition of Tribal License

Any tribal enterprise having a license for the sale of alcoholic beverages issued by the Tribal Council shall be required to comply, as a condition of retaining such license, with any applicable tribal laws and ordinances and shall further observe the laws of the State regarding times of sale and minimum ages of persons to whom sales may be made.

Section VII: Tribal Licenses for the Sale of Alcoholic Beverages

A. Upon application submitted in writing by tribal representatives, the Tribal Council may issue a license authorizing (1) sale of alcoholic beverages (or specific types thereof) solely for consumption on the premises, and/or (2) sale of alcoholic beverages (or specific types thereof) intended for consumption away from the premises.

B. All applications for such licenses must be submitted to the Tribal Council in writing, setting forth the purpose for the license together with the description of the premises upon which such sale is proposed to take place.

C. The Tribal Council shall have the power and authority to determine, in its sole discretion, the number and type of licenses for the sale of alcoholic beverages that may from time-to-time be issued pursuant to this ordinance.

D. Fees. The Tribal Council may set reasonable fees for the issuance of licenses under this Statute.

E. Duration of License. Unless sooner canceled, every license issued by the Tribal Council shall expire at midnight on the 31st day of December. Applications for renewal must be submitted to the Tribal Council on or before November 15 of the preceding year. The Tribal Council will act on all

renewal applications on or before December 15.

Section VIII: Violations

A. Any Indian person found to be in violation of the provisions of this Statute shall be deemed guilty of a criminal offense and may be prosecuted in Tribal Court in an action brought by the Tribal Prosecutor. Any such criminal proceeding against an Indian person shall comply with all due process and equal protection requirements of the Indian Civil Rights Act, which shall include at a minimum adequate notice, a full and fair hearing, and the right to call and cross examine witnesses. Upon conviction, the Tribal Court may impose a sentence of a fine not greater than \$1,000.00 and/or a jail term not exceeding sixty (60) days.

B. Nothing in this statute shall be construed to require or authorize the criminal trial and punishment by the Tribal Court of any non-Indian except to the extent allowed under Federal law. In general, when any provision of this Statute is violated by a non-Indian, her or she shall be referred to state and/or Federal authorities for prosecution under applicable law. However, violations of this Statute by a non-Indian shall also be deemed a civil offense against the Tribe and a civil action against non-Indian violators may proceed in Tribal Court to the extent allowed under Federal law. In such civil action brought in Tribal Court by the Tribal Prosecutor, the Tribal Court may impose a fine not greater than \$1,000.00 and/or exclusion from the Tribe's reservation, as authorized in Article VII, Section 1(h) of the Tribe's Constitution. Any such civil proceeding against a non-Indian shall comply with all due process and equal protection requirements of the Indian Civil Rights Act, which shall include at a minimum adequate notice, a full and fair hearing, and the right to call and cross examine witnesses.

C. Revocation of License. The Chairperson of the Tribal Council, or the Tribal Prosecutor may, for alleged violation of this Statute, institute and maintain an action in the Tribal Court in the name of the Tribe to revoke or suspend a license issued under this Statute. Such proceeding against the holder of the license in question shall comply with all due process and equal protection requirements of the Indian Civil Rights Act, which shall include at a minimum adequate notice, a full and fair hearing, and the right to call and cross examine witnesses. Upon final judgment issued against the defendant, the Tribal Court may order the forfeiture of any license issued pursuant to this

Statute, and all rights of the licensee to keep or sell alcoholic beverages under this Statute shall be suspended or terminated as the case may be. Pending final judgment the Tribal Court may issue orders for preliminary injunction if the plaintiff can demonstrate a likelihood of success and irreparable injury to the Tribe or its members if such orders are not issued.

Section IX: Effective Date

This ordinance shall be effective as a matter of tribal law as of the date of the adoption by the Tribal Council, and effective as a matter of Federal law on such date as the Assistant Secretary—Indian Affairs certifies and publishes the same in the **Federal Register**.

Section X: Savings Clause

In the event that any phrase, provision, part, paragraph, subsection or section of this Statute is found by a court of competent jurisdiction to violate the Constitution, laws or ordinances of the Little Traverse Bay Bands of Odawa Indians or applicable Federal law, such phrase, provision, paragraph, subsection or section shall be considered to stand alone and to be deleted from this Statute, the entirety of the balance of the Statute to remain in full and binding force and effect.
