BILLING CODE 4510-29-P

DEPARTMENT OF LABOR

Pension and Welfare Benefits Administration

Cross-Trades of Securities by Investment Managers

AGENCY: Pension and Welfare Benefits Administration, Labor.

ACTION: Notice of hearing.

SUMMARY: This document provides notice of a public hearing regarding standards and safeguards upon which exemptive relief should be conditioned for cross-trades of securities by investment managers with respect to any account, portfolio or fund holding "plan assets" subject to the fiduciary responsibility provisions of Part 4 of Title I of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The public hearing will focus primarily on the area of "active" cross-trading of securities by investment managers. The Department is also publishing today in the **Federal Register** a Notice of Proposed Class Exemption relating to cross-trades of securities by "passively" managed funds.

DATES: The hearing will be held on February 10, 2000, and on February 11th if necessary, beginning at 10 a.m. and ending at 4 p.m. each day.

ADDRESSES: The hearing will be held in Room N-5437, of the Department of Labor Building, 200 Constitution Avenue, NW, Washington, DC 20210.

FOR FURTHER INFORMATION CONTACT: Louis J. Campagna or E.F. Williams, Office of Exemption Determinations, Pension and Welfare Benefits Administration, U.S. Department of Labor, Room N-5649, 200 Constitution Avenue, NW, Washington, DC, 20210, (202) 219-8883 or 219-8194, respectively (these are not toll free numbers); or Michael Schloss, Plan Benefits Security Division, Office of Solicitor, (202) 219-4600, ext. 105 (not a toll-free number).

SUPPLEMENTARY INFORMATION: On March 20, 1998, the Department of Labor (the Department) published a notice (the Notice) in the **Federal Register** (63 FR 13696) requesting information to assist it in determining upon what standards and safeguards exemptive relief for cross-trades by investment managers should be conditioned. In that Notice, the Department invited all interested persons to submit written comments concerning its request for information on or before May 19, 1998. The Department received a total of 29 written comments on the Notice, many

of which were from major industry groups and plan fiduciaries.

In response, in part, to the information received by the Department to the Notice, the Department has published in today's **Federal Register** a separate notice of proposed class exemption which would, if granted, provide an exemption for cross-trades of securities by Index and Model-Driven Funds. In the notice of proposed class exemption, the Department states that it is not proposing relief for cross-trades of securities by actively-managed plan accounts or funds at the present time. In actively-managed programs, trading decisions are made by individuals that have been hired to select particular securities as professional investment managers for "actively-managed" accounts. The Department notes in the proposed class exemption that information obtained from investment managers in response to the Notice regarding cross-trade practices and procedures for actively-managed accounts will be considered separately.

In view of the importance of this issue, the Department has decided to hold a public hearing regarding potential future individual or class exemptions for the cross-trades of securities by investment managers for actively-managed plan accounts or pooled funds containing "plan assets" subject to Title I of ERISA.

This hearing will be held on February 10, 2000, and February 11th if necessary, beginning at 10 a.m. and ending at 4 p.m., in Room N-5437 of the Department of Labor Building, 200 Constitution Avenue, NW, Washington, DC 20210.

Any interested person who wishes to be assured of an opportunity to present oral comments at the hearing should submit the following information by January 20, 2000: (1) A written request to be heard; and (2) An outline (preferably five copies) of the topics to be discussed, indicating the time allocated to each topic. The request to be heard and accompanying outline should be sent to the Office of Exemption Determinations, Pension and Welfare Benefits Administration, U.S. Department of Labor, Room N-5649, 200 Constitution Avenue, NW, Washington, DC 20210, and marked "Attention: Cross-Trades of Securities by Investment Managers Hearing." Individuals who did not file written comments regarding the Notice published by the Department in the **Federal Register** on March 20, 1998 may nonetheless submit a request to make oral comments at the hearing.

The Department will prepare an agenda indicating the order of

presentation of oral comments at the hearing. In the absence of special circumstances, each commentator will be allotted fifteen minutes in which to complete his or her presentation and answer questions that may be posed by a panel of Pension and Welfare Benefits Administration employees. Information about the agenda may be obtained on or after January 27, 2000, by telephoning Fil Williams of the Office of Exemption of Determinations at (202) 219-8194 (this is not a toll free number).

Individuals not listed in the agenda will be allowed to make oral comments at the hearing to the extent time permits. Those individuals who make oral comments at the hearing should be prepared to answer questions regarding their comments. The hearing will be transcribed.

Individuals with disabilities, who need special accommodations, should notify Mr. Williams on or before January 20, 2000.

Notice of Public Hearing

Notice is hereby given that a public hearing will be held on February 10, 2000, and February 11th if necessary, regarding potential future individual or class exemptions for cross-trades of securities by investment managers for actively-managed plan accounts or pooled funds containing "plan assets" subject to ERISA. The hearing will be held beginning at 10 a.m. in Room N-5437 of the Department of Labor Building, 200 Constitution Avenue, NW, Washington, DC, 20210.

Signed at Washington, DC, this 9th day of December, 1999.

Deputy Assistant Secretary of Program Operations, Pension and Welfare Benefits Administration, U.S. Department of Labor.

BILLING CODE 4510-29-P

NUCLEAR REGULATORY COMMISSION

[Docket Nos. 50-498 and 50-499]

Houston Lighting and Power Company City Public Service Board of San Antonio Central Power and Light Company City of Austin, Texas STP Nuclear Operating Company (South Texas Project, Units 1 and 2); Order Extending the Effectiveness of the Approval of the Indirect Transfer of Licenses (Merger of Central and South West Corporation and American Electric Power Company)

I.

By Order dated November 5, 1998, the Nuclear Regulatory Commission (the Commission) approved the indirect transfer of Facility Operating Licenses Nos. NPF-76 and NPF-80 to the extent such would be effected by the proposed corporate merger of Central and South West Corporation (CSW) and American Electric Power Company, Inc. (AEP). CSW is the parent holding company of Central Power and Light Company (CPL), one of the holders of the licenses. The approval was given in response to an application filed by CPL dated June 16, 1998, as supplemented, for consent of the NRC under 10 CFR 50.80. By its terms, the Order of November 5, 1998, becomes null and void if the merger is not completed by December 31, 1999, unless upon application and for good cause shown, such date is extended by the Commission.

II.

By letter dated October 25, 1999, CPL and AEP, through counsel, submitted a request for an extension of the effectiveness of the Order of November 5, 1998, such that it would remain effective until June 30, 2000. According to the submittal, because of unavoidable delays in securing all regulatory approvals, the merger between AEP and CSW will not close prior to December 31, 1999. The request further asserts that, notwithstanding the best efforts of AEP and CSW to provide complete and timely information, the Federal Energy Regulatory Commission (FERC) has not completed its review of the pending merger application before it and has not granted the necessary approvals required for consummation of the merger. FERC has issued an order in which it states that a final decision should be issued no later than March 2000.

According to their submittal, CSW and AEP have been diligent in seeking to obtain all required regulatory approvals from Federal and State
