DEPARTMENT OF INTERIOR

National Park Service

Notice of Availability of Environmental Assessment and Plan of Operations for Oil and Gas Exploration Within Big Cypress National Preserve, Florida

SUMMARY: The Preserve has received a Plan of Operations (Plan) for the exploration for nonfederal oil and gas from Collier Resource Company. The Plan was submitted pursuant to Title 36 of the Code of Federal Regulations, Part 9, Subpart B (36 CFR 9B). The National Park Service has prepared an Environmental Assessment (EA) in accordance with the National Environmental Policy Act to evaluate the proposed activity.

DATES: The Plan and EA are available for public review at Preserve Headquarters in Ochopee, Florida. Copies of the EA can be requested at the address below. Written comments should be submitted on or before January 14, 2000.

ADDRESSES: Superintendent, Big Cypress National Preserve, HCR 61, Box 110, Ochopee, Florida 34141, Telephone: (941) 695-2000, extension 325.

SUPPLEMENTARY INFORMATION: This notice is in accordance with 36 CFR 9.52. The Plan calls for the construction of approximately 8 miles of road, a

drilling pad, drilling an exploratory well and conducting a 41-square miles three-dimensional geophysical survey.

In 1992, the National Park Service finalized a Minerals Management Plan (MMP) for the Preserve. The MMP along with other appropriate laws and regulations provide the framework for assessing proposals for non-federal oil and gas right owners. The MMP was evaluated as part of the Preserve's General Management Plan/Environmental Impact Statement.

The EA of Collier Resources Company's Plan of Operations evaluates three alternatives: (1) Denial of Plan of Operations, (2) Approval of the Plan as Submitted, and (3) Approval of the Plan with Stipulations.

Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the rulemaking record, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold from the rulemaking record a respondent's identity as allowable by law. If you wish for us to withhold your name and/or address, you must state this prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

Dated: December 7, 1999.

Daniel W. Brown,

Regional Director, Acting Director, Southeast Region.
