Arrow Automotive Industries Morrilton, Arkansas; Notice of Negative Determination on Reconsideration

On August 17, 1999, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of the subject firm. The company presented new evidence that indicated the Department had not done a full customer survey. The notice was published in the *Federal Register* on August 31, 1998 (64 FR 47521).

The Department initially denied TAA to workers of Arrow Automotive because the "contributed importantly" group eligibility requirement of Section 222(3) of the Trade Act of 1974, as amended, was not met. The workers at the subject firm were engaged in employment related to the production of repairing, rebuilding, and remanufacturing automotive parts.

On reconsideration, the Department requested the names of additional customers. The Department conducted a survey of the additional customers, all of which reported no purchases of imported remanufactured automotive parts.

Conclusion

After reconsideration, I affirm the original notice of negative determination regarding eligibility to apply for worker adjustment assistance for workers and former workers of Arrow Automotive Industries, Morrilton, Arkansas.

Signed at Washington, D.C., this 13th day of December 1999.

Grant D. Beale,

Program Manager, Office of Trade Adjustment Assistance.
