Submission For OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Quarterly Survey of the Finances of Public Employee Retirement Systems.

Form Number(s): F-10.

Agency Approval Number: 0607-0143.

Type of Request: Revision of a currently approved collection.

Burden: 408 hours.

Number of Respondents: 102.

Avg Hours Per Response: 1 hour.

Needs and Uses: This survey provides, on a quarterly basis, nationwide data on the cash and security holdings of the 102 largest public-employee retirement systems. These 102 systems control billions of asset dollars and represent 80 percent of the total assets of all public employee retirement systems. The most important

information this survey provides is the quarterly change in composition of the securities holdings of this component of the economy. The Federal Reserve Board, the Bureau of Economic Analysis, and others use these data to monitor and analyze investment trends and to formulate governmental economic policies and investment decisions.

In this request, we are revising the form to make it compatible with our annual collection of government finance data in the Annual Survey of Government Finances (OMB number 0607-0585). We will also begin asking for both book value and market value of bonds and stocks in an effort to eliminate confusion over which value to report. This is also in-line with reporting in the annual government finance collection.

Affected Public: State, Local, or Tribal Government.

Frequency: Quarterly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Section 182.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5027, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at LEngelme@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Susan Schechter, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Background

In accordance with 19 CFR 351.213(b)(2), Aceros Camesa, S.A. de C.V. ("Camesa"), a Mexican producer of subject merchandise, requested that we conduct an administrative review of its sales. Petitioners in the proceeding, the Committee of Domestic Steel Wire Rope and Specialty Cable Manufacturers ("the Committee"), also requested a review of Camesa's sales, in accordance with 19 CFR 351.213(b)(1). We published a notice of initiation of this antidumping administrative review on April 30, 1999 (64 FR 23269).

In accordance with 19 CFR 351.214, Cablesa, S.A. de C.V. ("Cablesa"), a Mexican producer of subject merchandise, requested that we conduct a new shipper review of its sales. We published a notice of initiation of this new shipper review on May 7, 1999 (64 FR 24573). After receiving a waiver of the normal time limits for a new shipper review from Cablesa under 19 CFR 351.214(j)(3), we decided to publish the results of this new shipper review simultaneously with the results of the administrative review. *See* 64 FR 61825 (November 15, 1999).

On November 30, 1999, in accordance with section 751(a)(3)(A), the Department issued an extension of the preliminary determination due date of both reviews by 7 days to December 8, 1999.
