Moltrup Steel Products Company, Inc.,
Beaver Falls, PA; Notice of
Termination of Investigation

Pursuant to Section 221 of the Trade Act of 1974, an investigation was initiated on December 6, 1999 in response to a worker petition which was filed on behalf of workers at Moltrup Steel Products Company, Incorporated, Beaver Falls, PA.

The three petitioners were separated from the subject firm more than a year prior to the date of the petition (November 15, 1999). Section 223(b)(1) of the Trade Act of 1974 specifies that no certification may apply to any worker whose last separation occurred more than a year before the date of the petition. Consequently, further investigation in this case would serve no purpose, and the investigation has been terminated.

Signed at Washington, D.C. this 17th day of December 1999.

Grant D. Beale,

Program Manager, Office of Trade
Adjustment Assistance.

Ray-Ban Sun Optics, Luxottica,
Formerly Known as Eyewear Division
of Bausch & Lomb, Rochester, New
York; Amended Certification
Regarding Eligibility To Apply for
Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on November 2, 1999, applicable to workers of Ray-Ban Sun Optics, Rochester, New York. The notice was published in the **Federal Register** on December 2, 1999 (64 FR 67594). The certification was amended on December

6, 1999 to show that the company was formerly known as Eyewear Division of Bausch & Lomb. The notice will soon be published in the **Federal Register**.

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of sunglasses. As indicated in the December 6, 1999 amended certification, the subject firm, originally named the Eyewear Division of Bausch & Lomb, was sold in June, 1999 to Luxottica and was renamed Ray-Ban Sun Optics. The State agency reports that some workers wages at the subject firm have been reported to the Unemployment Insurance (UI) tax account of Luxottica.

The intent of the Department's certification is to include all workers of the subject firm affected by increased imports. Therefore, the certification is again amended to include the workers at the Rochester, New York plant whose wages were reported to the Luxottica tax account.

The amended notice applicable to TA-W-36,730 is hereby issued as follows:

All workers of Ray-Ban Sun Optics, Luxottica, formerly known as Eyewear
