**DEPARTMENT OF THE TREASURY**

**Departmental Offices**

**31 CFR Part 1**

**Privacy Act of 1974; Implementation**

**AGENCY:** Department of the Treasury.  
**ACTION:** Final rule.

**SUMMARY:** The Department of the Treasury is amending its Privacy Act regulations by revising the list of Treasury Department officials and offices which are subject to this part. In addition, the reference to the United States Savings Bonds Division's Appendix K is being removed by redesignating Appendices K and L.

**EFFECTIVE DATE:** January 14, 2000.

**FOR FURTHER INFORMATION CONTACT:** Dale Underwood, Disclosure Services, (202) 622-0930.

**SUPPLEMENTARY INFORMATION:** The Department of the Treasury is updating its list of officials and offices that are subject to this part due to the organizational changes occurring since the list was last published on July 14, 1987. In addition, the United States Savings Bonds Division has been made a part of the Bureau of the Public Debt. Therefore, the United States Savings Bonds Division's Appendix K is being removed from Subpart C which redesignates Appendix L-Federal Law Enforcement Training Center, and Appendix M-Office of Thrift Supervision, of Subpart C as Appendices K and L respectively.

These regulations are being published as a final rule because the amendment does not impose any requirements on any member of the public. This amendment is the most efficient means for the Treasury Department to implement its internal requirements for complying with the Privacy Act. Accordingly, pursuant to the administrative procedure provisions in 5 U.S.C. 553, the Department of the Treasury finds good cause that prior notice and other public procedure with respect to this rule are impracticable and unnecessary and finds good cause

for making this rule effective on the date of publication in the **Federal Register**.

In accordance with Executive Order 12866, it has been determined that this final rule is not a "significant regulatory action" and, therefore, does not require a Regulatory Impact Analysis.

Because no notice of proposed rulemaking is required, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply.

In accordance with the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Department of the Treasury has determined that this proposed rule will not impose new record-keeping, application, reporting, or other types of information collection requirements.

#### Approval and Promulgation of Air Quality Implementation Plans; Maryland; Control of VOCs From Paper, Fabric, Vinyl, and Other Plastic Parts Coating

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Direct final rule.

**SUMMARY:** EPA is taking direct final action to approve revisions to the Maryland State Implementation Plan (SIP). The revisions consist of amendments to Maryland's regulation to control volatile organic compounds (VOC) from Paper, Fabric, Vinyl, and Other Plastic Parts Coatings. The regulation was revised to include Reasonable Available Control Technology (RACT) standards for sources that use flexographic printing presses to print on plastic (non-vinyl) and to limit the VOC content for the decorative coating of plastic bottles. EPA is approving these revisions to the Maryland SIP in accordance with the requirements of the Clean Air Act.

**DATES:** This rule is effective on February 28, 2000 without further notice, unless EPA receives adverse written comment by February 14, 2000. If EPA receives such comments, it will publish a timely withdrawal of the direct final rule in the **Federal Register** and inform the public that the rule will not take effect.

**ADDRESSES:** Written comments should be mailed to David L. Arnold, Chief, Ozone and Mobile Sources Branch, Mailcode 3AP21, U.S. Environmental Protection Agency, Region III, 1650 Arch Street, Philadelphia, Pennsylvania 19103. #### SUPPLEMENTARY INFORMATION:

##### I. Summary of the SIP Revisions

On March 11, 1999, the Maryland Department of the Environment (MDE) submitted amendments to COMAR 26.11.19.07 Paper, Fabric, Vinyl, and Other Plastic Parts Coatings to EPA for approval as SIP revisions. This regulation controls VOC emissions from paper, fabric, vinyl, and other plastic parts coatings operations in Maryland. The first amendment establishes RACT standards for sources that use flexographic printing presses to print plastic (non-vinyl) substrates. This amendment was adopted by Maryland on August 6, 1997, and became effective on September 8, 1997. The second amendment limits the VOC content for the decorative coating of plastic bottles. This amendment was adopted by Maryland on August 4, 1998, and became effective on August 24, 1998. At the time of this second amendment Maryland also revised the format of COMAR 26.11.19.07 Paper, Fabric, Vinyl, and Other Plastic Parts Coatings to present the subject installations, the applicability thresholds, and the VOC emission standards in a table.

##### II. EPA's Evaluation of the SIP Revisions

The EPA has determined that these amendments to COMAR 26.11.19.07: Paper, Fabric, Vinyl, and Other Plastic Parts Coating meet all federal criteria for approval.

##### III. Final Action

EPA is approving the amendments to COMAR 26.11.19.07 submitted by the MDE on March 11, 1999, as revisions to the Maryland SIP.

EPA is publishing this rule without prior proposal because the Agency views these as noncontroversial amendments and anticipate no adverse comment. However, in the "Proposed Rules" section of today's **Federal Register**, EPA is publishing a separate document that will serve as the proposal to approve the SIP revision if adverse comments are filed. This rule will be

effective on February 28, 2000 without further notice unless EPA receives adverse comment by February 14, 2000. If EPA receives adverse comment, EPA will publish a timely withdrawal in the **Federal Register** informing the public that the rule will not take effect. EPA will address all public comments in a subsequent final rule based on the proposed rule. EPA will not institute a second comment period on this action. Any parties interested in commenting must do so at this time.

#### IV. Administrative Requirements

##### A. Executive Order 12866

The Office of Management and Budget (OMB) has exempted this regulatory action from review under Executive Order 12866, entitled "Regulatory Planning and Review."

##### B. Executive Order 13132

Federalism (64 FR 43255, August 10, 1999) revokes and replaces Executive Orders 12612 (Federalism) and 12875 (Enhancing the Intergovernmental Partnership). Executive Order 13132 requires EPA to develop an accountable process to ensure "meaningful and timely input by State and local officials in the development of regulatory policies that have federalism implications." "Policies that have federalism implications" is defined in the Executive Order to include regulations that have "substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government." Under Executive Order 13132, EPA may not issue a regulation that has federalism implications, that imposes substantial direct compliance costs, and that is not required by statute, unless the Federal government provides the funds necessary to pay the direct compliance costs incurred by State and local governments, or EPA consults with State and local officials early in the process of developing the proposed regulation. EPA also may not issue a regulation that has federalism implications and that preempts State law unless the Agency consults with State and local officials early in the process of developing the proposed regulation. This final rule will not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government, as specified in Executive Order 13132 (64 FR 43255, August 10, 1999), because it merely
