

"open house". All public meetings received coverage by local and regional media sources. Monument neighbors have been involved throughout the process.

The GMP planning team contacted the Pawnee Tribe of Oklahoma in an attempt to identify tribal concerns relative to this GMP/EIS. In addition, comments were sought through extensive mailings of newsletters and media coverage. No response was received from the tribe. Because of the Pawnee's long-standing cultural affiliation with this area of Nebraska, the NPS will continue to keep the tribe informed of important stages of this planning process and of plans to implement the preferred alternative throughout the GMP planning process.

Over 600 news letters announcing the Draft General Management Plan and Environmental Impact Statement for Homestead National Monument of America were mailed May 4, 1999. More than 200 copies of the full draft document were distributed to agencies, organizations and individuals. The document was also made available to the general public at the Beatrice Public Library and at Homestead National Monument of America. The National Park Service conducted two public meetings in May 1999, one meeting was held at the Beatrice Public Library May 25 while the second meeting was held at the Charles H. Gere Library in Lincoln, Nebraska May 26. An additional public open house was held June 29, 1999 at Homestead National Monument of America to discuss the Draft General Management Plan/Environmental Impact Statement.

The Beatrice public meeting had 43 people in attendance; 14 people attended the Lincoln public meeting. One person attended the meeting held in June, at Homestead National Monument of America.

A 60-day review period (May 4, 1999 through July 10, 1999) was designated for receiving comments on the draft plan and EIS. Fifteen written comments were received. At the end of the review period, the comments were reviewed and substantive comments were identified. The Final General Management Plan (FGMP) and an Abbreviated Final Environmental Impact Statement (AFEIS) were made available to the public on November 21, 1999. The 30-day no action period required by NEPA regulations commenced on that date.

Approximately 39 copies of the FGMP/AFEIS were distributed to agencies, local governments, organizations, persons who commented on the draft GMP, and others who requested the

document. The FGMP/AFEIS contains a complete summary of the public involvement process and substantive comments received.

#### Conclusion

A notice of availability for the FGMP/AFEIS was published by the Environmental Protection Agency in the **Federal Register** on November 6, 1998. The 30-day no-action period ended on December 20, 1999. No public comments were received during the no action period.

The above factors and considerations justify the selection of the final plan, as described as Alternative C, Option 1, in the Final Environmental Impact Statement. The Final General Management Plan is hereby approved.

Dated: December 22, 1999.

**SUPPLEMENTARY INFORMATION:**

**Background.**—The final phase of this investigation is being scheduled as a result of an affirmative preliminary determination by the Department of Commerce that imports of solid fertilizer grade ammonium nitrate from Russia are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. 1673b). The investigation was requested in a petition filed on July 23, 1999, by the ad hoc Committee for Fair Ammonium Nitrate Trade (COFANT) (consisting of Air Products & Chemicals, Inc., Allentown, PA; Mississippi Chemical Corp., Yazoo City, MS; El Dorado Chemical Co., Oklahoma City, OK; Nitram, Inc., Tampa, FL; LaRoche Industries, Inc., Atlanta, GA; and Wil-Gro Fertilizer, Inc., Celina, TX).

A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Parties may also file written testimony in connection with their presentation at the hearing, as provided in § 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of § 207.25 of the Commission's rules. The deadline for filing posthearing briefs is March 30, 2000; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the investigation may submit a written statement of information pertinent to the subject of the investigation on or before March 30,
