

materials relied upon in making any representation covered by this order.

Part III of the proposed order requires respondent to distribute copies of the order to various officers, agents and employees of respondent.

Part IV of the proposed order requires respondent to notify the Commission of any changes in corporate structure that might affect compliance with the order.

Part V of the proposed order requires respondent to file with the Commission one or more reports detailing compliance with the order.

Part VI of the proposed order is a "sunset" provision, dictating that the order will terminate twenty years from the date it is issued or twenty years after a complaint is filed in federal court, by either the United States or the FTC, alleging any violation of the order.

The purpose of this analysis is to facilitate public comment on the proposed order. It is not intended to constitute an official interpretation of the agreement and proposed order or to modify in any way their terms.

By direction of the Commission.

### Office of the Secretary

#### Agency Information Collection Activities: Proposed Collections; Comment Request

The Department of Health and Human Services, Office of the Secretary will periodically publish summaries of proposed information collections projects and solicit public comments in compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995. To request more information on the project or to obtain a copy of the information collection plans and instruments, call the OS Reports Clearance Officer on (202) 690-6207.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the

use of automated collection techniques or other forms of information technology.

Proposed project 1. Empowerment Zones and Enterprise Communities (EZ/EC) Health Improvement Survey—NEW—The Office of the Assistant Secretary for Planning and Evaluation is proposing a survey of directors of EZ/ECs to assess their capacity to engage in health improvement planning efforts. Recognizing that EZ/ECs represent some of the nation's most economically disadvantaged and ethnically diverse urban and rural areas, the survey project is designed to measure the level of interest, commitment and priority assigned to reducing health disparities in these localities. The results of the survey are expected to assist HHS in helping EZ/EC localities devise health planning programs that reflect both community needs and appropriate public health standards. Respondents: EZ/EC Directors—Reporting Burden Information—Number of Respondents: 136; Annual Frequency of Response: one time; Average Burden per Response: 20 minutes; Total Annual Burden: 45 hours.

Send comments to Cynthia Agens Bauer, OS Reports Clearance Officer, Room 503H, Humphrey Building, 200 Independence Avenue SW, Washington, DC 20201. Written comments should be received within 60 days of this notice.

Dated: January 7, 2000.

#### Proposed Collection; Comment Request: National Institute of Diabetes and Digestive and Kidney Diseases Information Clearinghouse Customer Satisfaction Survey

**SUMMARY:** In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 to provide opportunity for public comment on proposed data collection projects, the National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK), the National Institutes of Health (NIH), will publish periodic summaries of proposed projects to be submitted to the Office of Management (OMB) for review and approval.

*Title:* NIDDK Information Clearinghouses Customer Satisfaction Survey. NIDDK will conduct a survey to evaluate the efficiency and effectiveness of services provided NIDDK's three information clearinghouses; National Diabetes Information Clearinghouse, National Digestive Diseases Information Clearinghouse, National Kidney and Urologic Diseases Information Clearinghouse. The survey responds to Executive Order 12862, "Setting Customer Service Standards," which requires agencies and departments to identify and survey their "customers to determine the kind and quality of service they want and their level of satisfaction with existing service." *Frequency of Response:* On occasion. *Affected Public:* Individuals or households; clinics or doctor's offices. *Type of Respondents:* Physicians, nurses, patients, family.

| Type of respondents   | Number of respondents | Frequency of response | Estimated average response time | Estimated annual burden hours |
|-----------------------|-----------------------|-----------------------|---------------------------------|-------------------------------|
| Patients/Family ..... | 3,600                 | 1.00                  | 0.167                           | 600                           |
| Phys. Asst. ....      | 7,200                 | 1.00                  | 0.167                           | 1,200                         |
| Physicians .....      | 1,200                 | 1.00                  | 0.167                           | 200                           |
| <b>Totals .....</b>   | <b>12,000</b>         | <b>.....</b>          | <b>.....</b>                    | <b>2,000</b>                  |

The annual reporting burden is as follows: Estimated Number of Respondents: 12,000; Estimated Number of Responses over Respondent: 1; Estimated Average Burden Hours Per Response: 0.1671; and Estimated Total Annual Burden Hours Requested: 2,000. The annualized cost to respondents is estimated at \$39,000. There are no Capital Costs to report. There are no Operating or Maintenance Costs to report.

**Request for Comments**

Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Please address all comments concerning the proposed collection to Kathy Kranzfelder, Project Officer, NIDDK Information Clearinghouses, NIH, Building 31, Room 9A04, MSC2560, Bethesda, MD 20852. You may also submit comment and data by electronic mail (e-mail) at: *kranzfeldk@hq.nidDK.nih.gov*.
