

(C) Federal budget disbursement.

(D) Private agreements between trona producers and oil and gas lessees.

The BLM is seeking public comment on these options and asking the public for additional options that should be addressed in the environmental analysis for the land use plan amendments.

DATES: Send comments to Ted Murphy, Associate Field Manager for Lands and Minerals, BLM, Rock Springs Field Office, 307-352-0321. Comments are due March 3, 2000 and may be sent via regular mail to BLM, Rock Springs Field Office, 280 Highway 191, Rock Springs, Wyoming 82901, or email rock_spring_wymail@blm.gov. Please refer to "Coincidental Development" in the subject field.

FOR FURTHER INFORMATION CONTACT: Ted Murphy, Associate Field Manager for Lands and Minerals, BLM, Rock Springs Field Office, 307-352-0321. Documents supporting JIC recommendations and BLM options may be viewed at the Rock Springs Field Office, 280 Highway 191 North, Rock Springs, Wyoming (307-352-0256), Kemmerer Field Office, 312 Highway 189 North, Kemmerer, Wyoming (307-828-4500), and the Wyoming State Office, 5353 Yellowstone Road, Cheyenne, Wyoming (307-775-6261).

SUPPLEMENTARY INFORMATION: History has shown that mining, and oil and gas operations can behave unpredictably despite the best efforts in the application of newest technology and strict operating practices. Studies, performed under the direction of the JIC, have proven that coincidental development of trona and oil and gas within the MMTA could have catastrophic consequences. This finding is based on the analysis of current drilling and completion standards used in the Green River Basin and the potential for uncontrolled fluid migration from oil and gas wells into the underground mine(s). The safety and well being of underground miners employed in the trona industry is of paramount importance. Therefore, action must be taken to resolve this issue.

Written comments in response to this notice, including the names and addresses of respondents, will be available for public review at the BLM Rock Springs office during regular business hours (7:45 a.m.-4:30 p.m.), Monday through Friday (except Federal holidays) after the comment period closes and may be published as part of the environmental process.
