

Council/Board of Fisheries issues under Item 7, the agenda for the Advisory Panel will mirror that of the Council listed above.

Scientific and Statistical Committee: The Scientific and Statistical Committee will address the following items:

1. Alternatives and the analysis for the halibut charter harvest guideline level.
2. Progress on the Groundfish SEIS.
3. Groundfish processor sideboards and pollock excessive shares.
4. Steller sea lions.
5. Habitat areas of particular concern.
6. Research priorities.

Other committees and workgroups may hold impromptu meetings throughout the meeting week. Such meetings will be announced during regularly-scheduled meetings of the Council, Advisory Panel, and SSC, and will be posted at the hotel.

Although non-emergency issues not contained in this agenda may come before these groups for discussion, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically identified in the agenda listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take action to address the emergency.
