SUPPLEMENTARY INFORMATION:

Background

On September 26, 1991, the Department published an antidumping duty order on silicon metal from Argentina (56 FR 48779), which was amended on July 10, 1995, pursuant to court remand (60 FR 35551). The Department published a notice of "Opportunity To Request Administrative Review" of the antidumping duty order for the 1997/1998 review period on September 11, 1998 (63 FR 49543). On September 30, 1998, the respondent, Electrometalurgica Andina S.A.I.C. ("Andina") filed a request for review. We published a notice of initiation of this review on October 29, 1998 (63 FR 58009). This review covers the period of September 1, 1997 through August 31, 1998. On October 30, 1998, the Department sent an antidumping questionnaire to Andina. The Department received questionnaire responses in November and December 1998, and responses to the Department's supplemental questionnaires in January and February 1999.

Due to the complexity of issues involved in this case, the Department extended the time limit for completion
