Guidant Intermedics, Cardiac Pacemakers, Inc. (CPI), Angleton, Texas; Amended Notice of Determinations Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Notice of Determinations Regarding Eligibility to Apply for Worker Adjustment Assistance on August 4, 1999, applicable to workers of Guidant Intermedics, Angleton, Texas. The notice was published in the **Federal Register** on September 29, 1999 (64 FR 52540).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers were engaged in the production of pacemakers and defibrillators, associated leads for the pacemakers and defibrillators and a personnel computer specifically designed for the programming of the pacemakers and defibrillators. Findings show that Cardiac Pacemakers, Inc. (CPI) is a wholly owned subsidiary of Guidant Intermedics. Findings also show that some workers separated from employment at the subject firm had their wages reported under a separate unemployment insurance (UI) tax account for Cardiac Pacemakers, Inc., Angleton, Texas.

The intent of the Department's certification is to include all workers of Guidant Intermedics who were adversely affected by increased imports. Accordingly, the Department is amending the Notice of Determinations to reflect this matter.

The amended notice applicable to TA-W-36,592 is hereby issued as follows:

"All workers of Guidant Intermedics, Cardiac Pacemakers, Inc., (CPI), Angleton, Texas engaged in employment related to the production of pacemakers and defibrillators who became totally or partially separated from employment on or after July 13, 1998 through August 4, 2001 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

"I further determine that all workers at Guidant Intermedics, Cardiac Pacemakers, Inc., (CPI), Angleton, Texas engaged in activities related to the production of leads, hybrid circuits and PC's for the programming of pacemakers are denied eligibility to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, DC this 19th day of January, 2000.

Sony Magnetic Products Inc. of America, Dothan, Alabama; Notice of Revised Determination on Reopening

By letter postmarked January 5, 2000, a company official requested administrative reconsideration of the Department's notice of negative determination regarding eligibility to apply for worker adjustment assistance applicable to workers of the subject firm.

On December 21, 1999, workers of Sony Magnetic Products Inc. of America producing VHS videocassettes were denied TAA eligibility based on the finding that criterion (3) of Section 222 of the worker group eligibility requirements of the Trade Act of 1974 was not met. The notice was published in the **Federal Register** on January 14, 2000 (65 FR 2432). A survey was conducted by the Department of the subject firms' major declining customers. None of the respondents increased import purchases while reducing business with Sony. Although Sony Magnetic Products Inc. of America was shifting production of VHS videocassettes from Dothan, Alabama to a foreign country, imports had not yet been returned to the U.S.

The Department has obtained new information from the company documenting that the company has received VHS videocassette imports and the reliance on imports will continue as

production decreases at the Dothan, Alabama plant.

Conclusion

After careful consideration of the new facts obtained on reopening, it is concluded that increased imports of articles like or directly competitive with VHS videocassettes produced by the subject firm contributed importantly to the decline in sales and to the total or partial separation of workers of the subject firm. In accordance with the provisions of the Trade Act of 1974, I make the following revised determination:

"All workers of Sony Magnetic Products Inc. of America, Dothan, Alabama, engaged in employment related to the production of VHS videocassettes, separated from employment on or after September 2, 1998 through two years from the issuance of this determination, are eligible to apply for worker adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, DC this 24th day of January, 2000.

Program Manager, Office of Trade Adjustment Assistance.
