

## 2. Statutory Basis

NASD Regulation believes that the Notice to Members is consistent with the provisions of Section 15A(b)(6) of the Act,<sup>5</sup> which requires, among other things, that the Association's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD Regulation believes that member firms that permit customers to engage in extended hours trading have an obligation under just and equitable principles of trade to disclose to such customers the material risks of extended hours trading. Similarly, members that advertise the opportunities and benefits of extended hours trading must also disclose the materials risks. NASD Regulation believes that this Notice to Members is an important element to protect investors and the public interest with respect to extended hours trading.<sup>6</sup>
