L. 106-65.

DATES: The effective date of this interim rule is April 2, 2000. Comments on the rule must be submitted in writing, by letter, and must be received by April 7, 2000.

SUPPLEMENTARY INFORMATION

A. Regulatory Process

The CAS Board's rules, regulations and Standards are codified at 48 CFR Chapter 99. Normally, the CAS Board follows a statutorily prescribed "four-step" rulemaking process prior to the issuance of a final rule (see 41 U.S.C. § 422(g)). However, the Board is proceeding to issue this interim rule in light of recent statutory changes to its enabling statute. The Board welcomes

public comment on these changes, and will consider any comments received prior to promulgation of a final rule.

B. Background

On October 5, 1999, the President signed into law the National Defense Authorization Act for Fiscal Year 2000, Pub. L. 106-65. Sec. 802 of that Act, entitled "Streamlined Applicability of Cost Accounting Standards," makes certain changes in the applicability requirements for CAS coverage. This interim rule is designed to reflect these changes in the CAS Board's rules.

Summary of Amendments

"Trigger contract": 48 CFR 9903.201-1(b) is amended by adding a new subparagraph (7) that exempts contracts and subcontracts from CAS coverage, provided that the business unit of the contractor or subcontractor has not received a single CAS-covered contract or subcontract of \$7.5 million or more.

"Firm-fixed price contract exemption": The Board is implementing this statutory exemption by amending 48 CFR 9903.201-1(b) to revise subparagraph (15) to exempt from CAS coverage, firm-fixed-price contracts and subcontracts awarded on the basis of adequate price competition without submission of cost or pricing data. The Board is using the term "cost or pricing data" rather than "certified" cost or pricing data in order to conform to the statutory requirements of 10 U.S.C. § 2306(h)(1) and 41 U.S.C. § 254(b), which defines "Cost or pricing data" as data that requires certification.

"Types of CAS coverage": 48 CFR 9903.201-2(a) is amended by revising the dollar threshold for "full CAS coverage" from \$25 million to \$50 million, and deleting the requirement that to be subject to "full CAS coverage", that a contractor or subcontractor have received at least one contract or subcontract that exceeded \$1 million (the previous "trigger contract" amount for initiation of "full CAS coverage"). 48 CFR 9903.201-2(b) is amended by revising the definition of "modified CAS coverage" to indicate that such coverage applies to covered contracts and subcontracts where the total value of CAS-covered contracts and subcontracts received by a business unit is less than \$50 million. Conforming amendments have also been made to the solicitation provisions and contract clauses appearing at 9903.201-3 and 9903.201-4, respectively.

"Waiver": 48 CFR 9903.201-5 is amended by revising this section to provide for agency CAS waiver authority under certain circumstances.

"Disclosure requirements": 48 CFR 9903.202-1(b) is amended by revising the dollar amount for disclosure from \$25 million to \$50 million, and deleting the requirement that a contractor or subcontractor have received at least one contract in excess of \$1 million.

C. Paperwork Reduction Act

The Paperwork Reduction Act, Public Law 96-511, does not apply to this rule, because this rule imposes no paperwork burden on offerors, affected contractors and subcontractors, or members of the public which requires the approval of OMB under 44 U.S.C. § 3501, *et seq.* The purpose of this rule is to implement Pub. L. 105-65.

D. Executive Order 12866 and the Regulatory Flexibility Act

This rule serves to eliminate certain administrative requirements associated with the administration of the Cost Accounting Standards by covered government contractors and subcontractors. The economic impact on contractors and subcontractors is therefore expected to be minor. As a result, the Board has determined that this is not a "major rule" under the provisions of Executive Order 12866, and that a regulatory impact analysis is not required. Furthermore, this rule will not have a significant effect on a substantial number of small entities because small businesses are exempt from the application of the Cost Accounting Standards. Therefore, this rule does not require a regulatory flexibility analysis under the Regulatory Flexibility Act of 1980.

E. Public Comments

Interested persons are invited to participate by submitting data, views or arguments with respect to the amendments contained in this interim rule. All comments must be in writing and submitted timely to the address indicated in the **ADDRESSES** section of this document.
