Take notice that on January 27, 2000, Florida Gas Transmission Company (FGT) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheet, to become effective March 1, 2000:

Twenty-Ninth Revised Sheet No. 8A.01

FGT states that on August 5, 1997, FGT filed a Stipulation and Agreement of Settlement (Settlement) in Docket Nos. RP96-366, *et al.* resolving all issues in this rate proceeding. Pursuant to Article XIII, the Settlement became effective upon the first day of the first month following the issuance of a final Commission order. On September 24, 1997, the Commission issued an order approving the Settlement. Because no party requested rehearing as of October 24, 1997, the Settlement became effective November 1, 1997.

FGT states that the Settlement, among other provisions, provided that the Rate Schedule FTS-2 rates for transportation service through FGT's incremental expansion capacity would be tiered the filed rate would be effective from March 1, 1997 through February 28, 1999 with decreases becoming effective March 1, 1999 and March 1, 2000. Tariff Sheet 8A.01, which contains the Rate Schedule FTS-2 rates, reflected the Settlement rates for all three periods for FTS-2 service, with the decreases becoming effective March 1, 1999 and March 1, 2000 contained in a footnote.

FGT states that it is making the instant filing to replace the FTS-2 rates which are effective from March 1, 1999 through February 28, 2000 with the reservation and usage rates which become effective March 1, 2000. The reservation and usage rates which become effective March 1, 2000 are contained in footnote 1 on the currently effective sheet No. 8A.01.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Natural Gas Pipeline Company of America; Notice of Proposed Changes in FERC Gas Tariff

February 1, 2000.

Take notice that on January 28, 2000, Natural Gas Pipeline Company of America (Natural) tendered for filing certain tariff sheets to be part of its FERC Gas Tariff, Sixth Revised Volume No. 1, to be effective March 1, 2000.

Natural states that the purpose of this filing is to implement a new Rate Schedule FRSS, under which Natural would provide a firm "reverse" storage service. Although this new service is available to all customers, it is primarily designed to meet the needs of the electric generation market during the summer peak period for electric demand. This new service mirrors some of the fundamental elements of Natural's Rate Schedule DSS, but with injection and withdrawal seasons reversed. Both are delivered firm storage services with no-notice delivery rights, but Rate Schedule DSS primarily supports traditional winter withdrawals for customers with peak demand in the heating season. By contrast, all withdrawals under new Rate Schedule FRSS must be made during the summer and would be followed by winter injections. Natural also states that conforming tariff changes have also been made in the General Terms and Conditions in its Tariff.

Natural requests waiver of the Federal Energy Regulatory Commission's Regulations to the extent necessary to permit the tariff sheets submitted to become effective March 1, 2000.

Natural states that copies of the filing have been mailed to its customers and interested state regulatory agencies.

Any person desiring to be heard or to protest filing should file a motion to intervene or a protest with the Federal

Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
