Background Information

In November 1999, Congress passed the Foster Care Independence Act, and on December 14, 1999, the President signed it into law (Pub. L. 106-169). An important part of this legislation, section 251, creates a new title VIII of the Social Security Act, which is a new program for SSA to administer. Title VIII provides for a program of special benefits for certain World War II veterans as defined below:

Veterans of the U.S. military and the organized military forces of the Philippines (while in the service of the U.S. Armed Forces) during World War II, who are age 65 or older on or before December 14, 1999 and who are eligible for SSI benefits in both the month of enactment and the month of application for the Special Veterans Benefit (SVB), and whose total benefit income is less than the title VIII benefit amount, are entitled to a title VIII benefit for each month the individual resides outside the United States.

The law provides that an individual who meets all statutory requirements will be entitled to title VIII benefits beginning with October 2000, or such earlier month that the Commissioner determines is administratively feasible.

In recognition of the stated desire of many foreign-born potential applicants for special benefits under SVB to return to their homelands, SSA is targeting its implementation efforts to begin payments as early as May 2000.

Accordingly SSA has revised the SSA-11-BK, Request to be Selected as Payee, to include payee applicants under title VIII, and has developed the new SSA-2000, Application for Special Benefits for World War II Veterans, in order to administer the title VIII program.
