

Frequency of Response: Occasional.
Affected Public: Potential FDIC employment applicants.

Estimated Number of Respondents: 16,000.

Estimated Time per Response: 3 minutes.

Estimated Total Annual Burden: 800 hours.

General Description of Collection: The FDIC Applicant Background Questionnaire will be completed voluntarily by FDIC job applicants who are not currently FDIC employees. Responses to questions on the survey will provide information on gender, age, disability, race/national origin, and the applicant's source of vacancy announcement information. Data will be used by the Office of Diversity and Economic Opportunity and the Personnel Services Branch to evaluate the effectiveness of various recruitment methods used by the FDIC to ensure that the agency meets workforce diversity objectives.

Request for Comment

Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the collection should be modified prior to submission to OMB for review and approval. Comments submitted in response to this notice also will be summarized or included in the FDIC's requests to OMB for renewal of this collection. All comments will become a matter of public record.

Dated at Washington, DC, this 3rd day of February 2000.
