

appellate authorities in the agencies having primary subject matter interest in the information.

(b) NARA will notify the requester of the determination and make available any additional information that has been declassified as a result of the requester's appeal.

(c) NARA will also notify the requester of the right to appeal denials of access to the Executive Secretary of the Interagency Security Classification Appeals Panel, Attn: Mandatory Review Appeals, c/o Information Security Oversight Office, National Archives and Records Administration, 700 Pennsylvania Avenue, NW, Room 5W, Washington, DC 20408.

Subpart E—Reclassification

§ 1260.70 Can Executive Branch information be reclassified?

(a) An agency may ask NARA to temporarily close, re-review, and possibly reclassify records and donated historical materials originated by the agency. Records that were declassified in accordance with E.O. 12958 (or predecessor orders) may be reclassified only if the information is less than 25 years old and has not been previously disclosed to the public. Agencies must submit in writing requests to reclassify Executive Branch records to the Assistant Archivist for Records Services—Washington, DC, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740–6001. Requests to reclassify information in Presidential libraries must be submitted in writing to the Assistant Archivist for Presidential Libraries, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740–6001. In the request, the agency must:

- (1) Identify the records or donated materials involved as specifically as possible;
- (2) Explain the reason the re-review and possible reclassification may be necessary; and
- (3) Provide any information the agency may have concerning any previous public disclosure of the information.

(b) If the urgency of the request precludes a written request, an authorized agency official may make a preliminary request by telephone and follow up with a written request within 5 workdays.

§ 1260.72 Can White House originated information be reclassified?

An agency may ask NARA to temporarily close, re-review, and possibly reclassify White House

originated information that has been declassified in accordance with E.O. 12958 (or predecessor orders) only if it has not been previously disclosed to the public. The agency must follow the same procedures as a request for reclassification of agency originated information in 36 CFR 1260.70, but it must submit the request to the Assistant Archivist for Presidential Libraries, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740–6001.

§ 1260.74 Can NARA appeal a request to reclassify information?

NARA may appeal to the Director of the Information Security Oversight Office any re-review or reclassification request from an agency when, in the Archivist's opinion, the facts of previous disclosure suggest that such action is unwarranted or unjustified. NARA will notify the requesting agency that it is appealing the request at the same time that it initiates the appeal.

Dated: February 11, 2000.

John W. Carlin,

Archivist of the United States.

BILLING CODE 7515–01–P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[VA103–5047b; FRL–6534–8]

Approval and Promulgation of Air Quality Implementation Plans; Commonwealth of Virginia; Oxygenated Gasoline Program

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA proposes to approve the State Implementation Plan (SIP) revision submitted by the Commonwealth of Virginia. The revision makes the oxygenated gasoline program a contingency measure of the maintenance plan for the Northern Virginia area, which means that the oxygenated gasoline program would only be required to be implemented in the Northern Virginia area if there is a violation of the carbon monoxide (CO) national ambient air quality standard (NAAQS). In the “Rules and Regulations” section of this **Federal Register**, EPA is approving the State's SIP submittal as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse

comments. A more detailed description of the state submittal and EPA's evaluation are included in a Technical Support Document (TSD) prepared in support of this rulemaking action. A copy of the TSD is available, upon request, from the EPA Regional Office listed in the **ADDRESSES** section of this document. If EPA receives no adverse comments, EPA will not take further action on this proposed rule. If EPA receives adverse comments, EPA will withdraw the direct final rule and it will not take effect. EPA will address all public comments in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time.

DATES: Comments must be received in writing by March 20, 2000.

ADDRESSES: Written comments should be addressed to David L. Arnold, Chief, Ozone and Mobile Sources Branch, Mailcode 3AP21, U.S. Environmental Protection Agency, Region III, 1650 Arch Street, Philadelphia, Pennsylvania 19103. Copies of the documents relevant to this action are available for public inspection during normal business hours at the Air Protection Division, U.S. Environmental Protection Agency, Region III, 1650 Arch Street, Philadelphia, Pennsylvania 19103; and the Virginia Department of Environmental Quality, 629 East Main Street, Richmond, Virginia 23219.

FOR FURTHER INFORMATION CONTACT: Kelly L. Bunker, (215) 814–2177, at the EPA Region III address above, or by e-mail at bunker.kelly@epa.gov.

SUPPLEMENTARY INFORMATION: For further information, please see the information provided in the direct final action, with the same title, that is located in the “Rules and Regulations” section of this **Federal Register** publication.

Dated: February 1, 2000.

Bradley M. Campbell,

Regional Administrator, Region III.
