Availability of Additional HRSA Competitive Grants

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice of availability of funds.

SUMMARY: The Health Resources and Services Administration (HRSA) announces the availability of funds for several HRSA programs. This Notice lists several programs that are announcing competitions for fiscal year (FY) 2000 funds but were not published in the Fall 1999 HRSA Preview.

This Notice includes funding for HRSA discretionary authorities and programs as follows: (1) Pediatric Emergency Department Research Network, Maternal and Child Health Bureau (MCHB); (2) Early Postpartum Discharge Data, MCHB; (3) Partnership for State Title V MCH Leadership Community Cooperative Agreement (MCHB); and (4) Special Projects of National Significance (Border Health Initiative), HIV/AIDS Bureau.

These programs were not published in the Fall 1999 HRSA Preview and will only appear in the **Federal Register** and on the HRSA Home Page at: <http://www.hrsa.dhhs.gov/>. The next edition of the HRSA Preview is planned to be published in mid-2000. The purpose of the HRSA Preview is to provide the general public with a single source of program and application information related to the Agency's competitive grant offerings. The HRSA Preview is designed to replace multiple **Federal Register** notices which traditionally advertised the availability of HRSA's discretionary funds for its various programs.

Dated: February 11, 2000.

Claude Earl Fox,
Administrator.
