SUPPLEMENTARY INFORMATION

I. Abstract

The Census Bureau conducted three earlier National Employers Surveys (1994, 1995 and 1997) for the National Center on the Educational Quality of the Workforce (EQW), a nonprofit research group. This survey will be sponsored by the U.S. Department of Education and the National School-to-Work Office. These groups focus on discovering relationships among employment, hiring, training, education, and business success. This information collection seeks to build upon the results of the previous surveys.
