Title: U.S. Department of Transportation (DOT) Breath Alcohol Testing Form.

OMB Control Number: 2105-0529.

Form Number: 2105-0529.

Type of Request: Extension of a currently approved collection.

Affected Entities: Transportation industries.

Abstract: Under the Omnibus Transportation Employee Testing Act of 1991, DOT is required to implement an alcohol testing program in various transportation industries. This specific requirement is elaborated in 49 CFR Part 40, Procedures for Transportation Workplace Drug and Alcohol Testing Programs.

Breath-alcohol technicians (BAT) must fill out testing form. The form includes the employee's name, the type of test taken, the date of the test, and the name of the employer.

Custody and control is essential to the basic purpose of the alcohol testing program. Data on each test conducted, including test results, are necessary to document tests conducted and actions taken to ensure safety in the workplace.

Estimated Total Burden on Respondents: The estimated annual burden hour is 1. Since this package is simply requesting clearance to use the alcohol testing form, the Office of the Secretary has no actual burden.

Issued in Washington DC.
