Summary of Collection: The Land and Water Conservation Fund Act of 1965, section 4(b), and Forest Service regulations at Title 36, Code of Federal Regulations (CFR), section 291.2 authorize the collection of fees at some of the National Forest and Grassland recreation sites. The fee envelope is also used as a tool to collect information from visitors who will assist the FS in improving its facilities and services for future visitors.

Need and use of the Information: FS will collect information to be used for two purposes; First, the information pertaining to the fee (site number, length of stay, amount paid, etc.) will be used to verify the visitor has complied with the fee requirements. Second, visitors will be given the opportunity to provide comments about their visit, the condition of the facilities, and how the FS can improve services to the public. RUS will collect information using form RUS 369.

Need and use of the Information: RUS will collect information to determine whether or not the agency should approve a sale and also to keep track of what property exists to secure the loan.
