## INTERNATIONAL TRADE COMMISSION

[Investigations Nos. 701-TA-302 (Review) and 731-TA-454 (Review)]

### Fresh and Chilled Atlantic Salmon From Norway

#### Determinations

On the basis of the record<sup>1</sup> developed in the subject five-year reviews, the United States International Trade Commission determines, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)), that revocation of the countervailing duty and antidumping duty orders on fresh and chilled Atlantic salmon from Norway would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

#### Background

The Commission instituted these reviews on July 1, 1999 (64 F.R. 35680, July 1, 1999) and determined on October 1, 1999 that it would conduct expedited reviews (64 F.R. 55957, October 15, 1999). The Commission transmitted its determinations in these reviews to the Secretary of Commerce on February 24, 2000. The views of the Commission are contained in USITC Publication 3282 (February 2000), entitled Fresh and Chilled Atlantic Salmon from Norway: Investigations Nos. 701-TA-302 (Review) and 731-TA-454 (Review).

Issued: February 23, 2000.

By order of the Commission.

impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov>).

#### SUPPLEMENTARY INFORMATION:

##### Background

The final phase of these investigations is being scheduled as a result of affirmative preliminary determinations by the Department of Commerce that certain structural steel beams are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. § 1673b). The investigations were requested in a petition filed on July 7, 1999 by counsel on behalf of Northwestern Steel & Wire Co., Sterling, IL; Nucor-Yamato Steel Co., Blytheville, AR; TXI-Chaparral Steel Co., Midlothian, TX; and The United Steelworkers of America AFL-CIO, Pittsburgh, PA.

The petition also alleged that an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports from Korea of certain structural steel beams that were being subsidized by the Government of Korea. The Commission made an affirmative preliminary injury determination with regard to those imports. Subsequently, however, Commerce made a negative preliminary determination concerning whether manufacturers, producers, or exporters of certain structural steel beams in Korea received subsidies. In the event Commerce makes an affirmative final determination regarding the issue of subsidies, the Commission will activate the final phase of its countervailing duty investigation on certain structural steel beams from Korea (inv. No. 701-TA-401 (Final)). The briefing schedule, hearing, and other deadlines applicable to the final phase of inv. No. 731-TA-854 (the antidumping investigation on Korea), as outlined below, will also apply to inv. No. 701-TA-401.

##### Participation in the Investigations and Public Service List

Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an entry of appearance with the Secretary to the Commission, as

provided in section 201.11 of the Commission's rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

**Limited Disclosure of Business Proprietary Information (BPI) Under an Administrative Protective Order (APO) and BPI Service List**

Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. § 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

**Staff Report**

The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on April 12, 2000, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission's rules.

**Hearing**

The Commission will hold a hearing in connection with the final phase of these investigations beginning at 9:30 a.m. on April 25, 2000, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before April 13. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on April 17, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules.

Parties must submit any request to present a portion of their hearing testimony in camera no later than 7 days prior to the date of the hearing.

Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.25 of the Commission's rules. The deadline for filing posthearing briefs is May 2; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations on or before May 2. On May 24, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before May 26, but such final comments must not contain new factual information and must otherwise comply with section 207.30 of the Commission's rules. Parties may also submit supplementary final comments on July 6 pertaining to Commerce's final determination(s) on certain structural steel beams from Korea. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Authority:** These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission's rules.

Issued: February 25, 2000.

By order of the Commission.
