Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Background

The temporary regulations amend temporary Procedure and Administration regulations (26 CFR Part 301) regarding the requirement to maintain lists of investors in potentially abusive tax shelters under section 6112. Section 6708 provides penalties for failing to maintain the investor list under section 6112.

The text of the temporary regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It has also been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations. It is hereby certified that the collection of information in these regulations will not have a significant economic impact on a substantial number of small entities. This certification is based upon the fact that the persons responsible for maintaining the investor lists described in the regulations are principally large publicly traded corporations, and the burden is not significant as described earlier in the preamble. Therefore, a Regulatory Flexibility Analysis under the Regulatory Flexibility Act (5 U.S.C. chapter 6) is not required. Pursuant to section 7805(f) of the Internal Revenue Code, this notice of proposed rulemaking will be submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Comments and Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments (preferably a signed original and eight (8) copies) or electronically generated comments that are submitted timely to the IRS. The IRS and Treasury specifically request comments on the clarity of the proposed regulations and how they may be made

easier to understand. All comments will be available for public inspection and copying.

A public hearing has been scheduled for June 22, 2000, from 10 a.m. to 1 p.m., in the IRS Auditorium, Internal Revenue Building, 1111 Constitution Avenue NW., Washington, DC. Due to building security procedures, visitors must enter at the 1111 Constitution Avenue entrance, located between 10th and 12th Streets. In addition, all visitors must present photo identification to enter the building. Because of access restrictions, visitors will not be admitted beyond the immediate entrance area more than 15 minutes before the hearing starts. For information about having your name placed on the access list to attend the hearing, see the **FOR FURTHER INFORMATION CONTACT** section of this preamble.

The rules of 26 CFR 601.601(a)(3) apply to the hearing. Persons who wish to present oral comments at the hearing must submit timely written comments and an outline of the topics to be discussed and the time to be devoted to each topic (signed original and eight (8) copies) by May 31, 2000. A period of 10 minutes will be allotted to each person for making comments. An agenda showing the scheduling of the speakers will be prepared after the deadline for receiving outlines has passed. Copies of the agenda will be available free of charge at the hearing.

Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of service to provide information.

The collections of information in this proposed regulation are in § 301.6111-2T(b)(6), (e)(1)(ii)(A), (e)(2), (e)(3), (g)(2)(ii) and (g)(2)(iii). This information is required to comply with the registration requirements of section 6111(d) and to avoid the penalty

The burden for the collection of information in § 301.6111-2T(b)(6), (e)(1)(ii)(A), (e)(2), and (e)(3) will be reflected on Form 8264. The burden for the collection of information in § 301.6111-2T(g)(2)(ii) and (iii) is as follows:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid control number assigned by the Office of Management and Budget.

Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Background

The temporary regulations amend temporary procedure and administrative regulations (26 CFR part 301) relating to section 6111. These regulations provide the guidance necessary to activate the registration requirements of section 6111 and the penalty provisions of section 6707 for confidential corporate tax shelters.

The text of the temporary regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It has also been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations. It is hereby certified that the collection of information in these regulations will not have a significant economic impact on a substantial number of small entities.

This certification is based upon the fact that the persons responsible for promoting and registering the transactions described in the regulations are principally large publicly traded corporations, and the burden is not significant as described earlier in the preamble. Therefore, a Regulatory Flexibility Analysis under the Regulatory Flexibility Act (5 U.S.C. chapter 6) is not required. Pursuant to section 7805(f) of the Internal Revenue Code, this notice of proposed rulemaking will be submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Comments and Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments (preferably a signed original and eight (8) copies) or electronically generated comments that are submitted timely to the IRS. The IRS and Treasury specifically request comments on the clarity of the proposed regulations and how they may be made easier to understand.

Further, the IRS and Treasury specifically request comments on (1) the scope and breadth of the characteristics used in the proposed regulations to identify transactions structured for the avoidance or evasion of Federal income tax; (2) the exceptions to registration provided for in the proposed regulations; and (3) whether particular types of transactions should be identified as excepted from registration. All comments will be available for public inspection and copying.

A public hearing has been scheduled for June 20, 2000, from 10 a.m. through 1 p.m., in the IRS Auditorium, Internal Revenue Building, 1111 Constitution Avenue NW., Washington, DC. Due to building security procedures, visitors must enter at the 1111 Constitution Avenue entrance, located between 10th and 12th streets. In addition, all visitors must present photo identification to enter the building. Because of access restrictions, visitors will not be admitted beyond the immediate entrance area more than 15 minutes before the hearing starts. For information about having your name placed on the access list to attend the hearing, see the **FOR FURTHER INFORMATION CONTACT** section of this preamble.

The rules of 26 CFR 601.601(a)(3) apply to the hearing. Persons who wish to present oral comments at the hearing must submit timely written comments and an outline of the topics to be discussed and the time to be devoted to

each topic (signed original and eight (8) copies) by May 31, 2000. A period of 10 minutes will be allotted to each person for making comments. 33 CFR Part 100

[CGD07-00-010]

RIN 2115-AE46

Special Local Regulations: Miami Super Boat Grand Prix, Miami Beach, FL

AGENCY: Coast Guard, DOT.

ACTION: Notice of proposed rulemaking.

SUMMARY: Temporary Special Local Regulations are being proposed for the Miami Super Boat Grand Prix. The event will be held from 11 a.m. to 3 p.m. on April 30, 2000, offshore Miami Beach, FL. These regulations are needed to provide for the safety of life on navigable waters during the event.

DATES: Comments must be received on or before April 17, 2000.

ADDRESSES: Comments should be mailed to Commanding Officer, U.S. Coast Guard Group Miami, 100 McArthur Causeway, Miami Beach, FL 33139. Comments will become part of this docket and will be available for inspection or copying at the above address.

FOR FURTHER INFORMATION CONTACT: Petty Officer Rick Storey, Coast Guard Group Miami at (305) 535-4472.

SUPPLEMENTARY INFORMATION:

Background and Purpose

These regulations are required to provide for the safety of life on navigable waters because of their inherent danger of high speed competition boat racing in the vicinity of spectator craft during the Miami Super Boat Grand Prix, Miami Beach, FL. Although a permanent regulation has been established for this event (33 CFR 100.730), the organizers asked that the event be moved for this year to April 30. The permanent regulations create a regulated area that prohibit non-participating vessels from entering the regulated area during the event. The practical effect of this proposed rule is to change the date of the event for this year from the third Sunday in April until April 30th, and to slightly modify the boundaries of the spectator area.

Request for Comments

The Coast Guard encourages interested persons to participate in this rulemaking by submitting written views, data, or arguments. Persons submitting comments should include their names and addresses, identify this notice

[CGD07-00-010] and the specific section of this proposal to which their comments apply and give reasons for each comment. The Coast Guard requests that all comments and attachments be submitted in an 8"x11" unbound format suitable for copying and electronic filing. If that is not practical, a second copy of any bound material is requested. Persons requesting acknowledgment of receipt of comments should enclose a stamped, self-addressed postcard or envelope. The Coast Guard will consider all comments received during the comment period. The regulations may be changed in view of the comments received. All comments received before the expiration of the comment period will be considered before final action is taken on this proposal.

The Coast Guard plans on public hearings. Persons may request a public hearing by writing to Commander Coast Guard Group Miami at the address under **ADDRESSES**. The request should include the reasons why a hearing would be beneficial. If it determines that the opportunity for oral presentations will aid this rulemaking, the Coast Guard will hold a public hearing at a time and place announced by a notice in the *Federal Register*.

Regulatory Evaluation

This proposal is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. The Office of Management and Budget has not reviewed it under that order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979). The Coast Guard expects the economic impact of this proposal to be so minimal that a full Regulatory Evaluation under paragraph 10(e) of the regulatory policies and procedures of DOT is unnecessary. The regulated area will only be in effect for 4½ hours on one day.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the Coast Guard must consider whether this rule will have a significant economic effect upon a substantial number of small entities. "Small entities" include small business, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have
